EXCHANGE COMMISSION

## ADMINISTRATIVE PROCEEDINGS

### WILLIAM H. HICKMAN, JR. BARRED

The Commission announced that it has accepted an Offer of Settlement from William H. Hickman, Jr., a former vice-president and registered representative of Parker/Hunter, Incorporated of Pittsburgh, Pennsylvania. In making the Offer, Hickman consents to the entry of an Order by the Commission providing for findings, without admitting or denying the findings contained therein, that during the period from January 1976 to November 19, 1981, Hickman violated the antifraud provisions of the securities laws in securities transactions in several accounts for which he acted as account executive by: (1) misappropriating customer funds by issuing checks drawn on Parker/Hunter's bank account to customers, which he then deposited in accounts under his control and converted to his own use; (2) misappropriating bearer bonds by representing to a customer that Parker/Hunter would hold such bonds for safekeeping, and then converting these bonds to his own use; and (3) misappropriating customer's funds by causing an unauthorized liquidation of shares in a money market fund, issuing a check drawn on Parker/Hunter's bank account made payable to the customer and converting the funds to his own use.

The Commission's Order also provides that Hickman is barred from association with a broker or dealer. (Rel. 34-19887)

### ATLANTIC FINANCIAL MANAGEMENT, INC., OTHERS CITED

Public administrative proceedings have been ordered under Sections 15(b) and 19(h) of the Securities Exchange Act of 1934 and Sections 203(e) and (f) of the Investment Advisers Act of 1940 against Atlantic Financial Management, Inc. (AFM), a registered investment adviser; Tuton, DiIanni & Draizin, Inc. (TDD), a registered broker-dealer; Robert A. DiIanni of Weston, Massachusetts, and Edward H. Tuton of Waterville, New Hampshire and Boston, Massachusetts. The Order for Proceedings alleges that the respondents wilfully violated Sections 206(1) and (2) of the Advisers Acts, Section 10(b) of the Exchange Act, and Rule 10b-5 thereunder, by committing the funds of advisory clients over which AFM held discretionary authority, to unsuitable investments. Specifically, respondents are alleged to have concentrated the portfolio assets of numerous advisory clients, including profit sharing trusts subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), in a single security to such an extent, up to 100 percent of assets in cash accounts and up to some 180 percent of assets in margin accounts, that the risks inherent in such a strategy were entirely unsuited to those clients in light of their investment objectives and financial circumstances.

The Order also alleges that numerous material misstatements and omissions were made regarding AFM's investment strategy; risks inherent in the high concentration of portfolio assets in a single security; familiarity of AFM and its principals, and their intention to comply with, requirements of ERISA; extreme commitment of the funds of AFM and its clients as a whole in a single security; existence of a dispute over strategy, among other principals; initiation of unauthorized loans between advisory clients; patterns of inconsistent trading; and baseless recommendations and price predictions.

A hearing will be scheduled to determine whether the allegations against the respondents are true, and if so, to decide what, if any, remedial action is necessary in the public interest. (Rel. 34-19898)

---

### BANKERS NATIONAL SERIES TRUST

A notice has been issued giving interested persons until July 18 to request a hearing on an application by Bankers National Series Trust, an open-end, diversified, management investment company, for an order, under Section 6(c) of the Investment Company Act of 1940, exempting it from the provisions of Section 2(a)(41) of the Act and Rules 22c-1 and 2a-4 to permit Bankers to value the assets held in its BNL Money Market Portfolio using the amortized cost method of valuation, and from Section 17(f) to permit it to hold certain certificates of deposit in book entry form. (Rel. IC-13366 - June 28)

## HOLDING COMPANY ACT RELEASES

---

### NEW ENGLAND ELECTRIC SYSTEM

An order has been issued authorizing New England Electric System (NEES), a registered holding company, and its subsidiaries, Massachusetts Electric Company (Mass Electric) and Manchester Electric Company, to effect a plan of merger whereby Manchester will be merged into Mass Electric, the surviving company. In conjunction with the plan of merger, NEES proposes to make a capital contribution to Mass Electric of all shares of Manchester common stock then held by NEES. Immediately thereafter, all shares of Manchester common stock will be cancelled with shareholders, other than Mass Electric, receiving a per-share, cash compensation equal to 2.5 times the average weekly high and low prices of NEES common shares on the New York Stock Exchange during the time period of the exchange offer. (Rel. 35-22987 - June 28)

### MIDDLE SOUTH UTILITIES, INC.

A supplemental order has been issued regarding Middle South Utilities, Inc., a registered holding company, and its subsidiaries, Middle South Energy, Inc. (MSE), Arkansas Power & Light Company, Louisiana Power & Light Company, Mississippi Power & Light Company, and New Orleans Public Service Inc., authorizing MSE to issue and sell up to \$400 million of additional notes to domestic banks through December 31, 1986, raising MSE's domestic bank borrowings to approximately \$1.71 billion. The proceeds are to be used to finance the construction of Units No. 1 and 2 of the Grand Gulf nuclear generating plants. The increase is needed because of an assumed 2.48 percent increase in MSE's share of the Grand Gulf plants, certain delays resulting in commencement of commercial operation of Unit No. 1 in the fourth quarter of 1983, and rescheduled operations. Certain assignments by MSE and its affiliates, as security for the increased borrowings, are also being authorized. (Rel. 35-22988 - June 28)

# SELF-REGULATORY ORGANIZATIONS

## NOTICE OF PROPOSED RULE CHANGES

The following have filed proposed rule changes under Rule 19b-4: Philadelphia Depository Trust Company - (SR-Philadep-83-2) that allows Philadep to offer an automated terminal system (Philadep Terminal Communications System [PTCS]) to participants on a pilot basis. The proposed rule change enables participants to utilize PTCS to communicate more effectively with Philadep and perform various functions previously processed manually through paper instructions (Rel. 34-19911); and (SR-Philadep-83-3) that would enable Philadep, on a pilot basis, to mail securities certificates that have been transferred into customer name directly to the customer, rather than to Philadep's participant (who would then forward the certificates to the customer) (Rel. 34-19917). The Options Clearing Corporation - (SR-OCC-83-14) that would restrict OCC from accepting letters of credit for margin purposes if the issuing institution, its parent or an affiliate has a 20% or greater equity interest in the Clearing Member to whom the letter of credit is issued (Rel. 34-19913). The National Securities Clearing Corporation - (SR-NSCC-83-10) to expand the over-the-counter equity comparison program to bond transactions and to modify NSCC's fee structure to charge participants fees that are scaled according to participants' timeliness of response to certain comparison reports (Rel. 34-19914). [Publication of the above proposals are expected to be made in the Federal Register during the week of June 27.] The Boston Stock Exchange, Inc. - (SR-BSE-83-7) to increase from 1,099 to 1,299 shares the size of orders to be executed under BSE's Guaranteed Execution System (Rel. 34-19918). [Publication of the proposal is expected to be made in the Federal Register during the week of July 4.]

## NOTICE AND ACCELERATED APPROVAL OF PROPOSED RULE CHANGE

The Commission has approved, on an accelerated basis, a proposed rule change (SR-CBOE-83-13) filed June 9, 1983 by the Chicago Board Options Exchange, Incorporated to amend Rule 24.14 to include a disclaimer of liability made by Standard and Poor's Corporation (S&P) with respect to the use by the CBOE of S&P indices in connection with CBOE's index options trading. (Rel. 34-19908)

## NOTICE OF EFFECTIVENESS OF PROPOSED RULE CHANGES

Two rule changes filed by the Depository Trust Company have become effective in accordance with Section 19(b)(3)(A) of the Securities Exchange Act of 1934: (SR-DTC-83-4) which allows one or more members of DTC's board or any committee thereof to participate in a meeting of such board or committee by means of a conference telephone or similar electronic communications linkage that allows all parties to communicate with each other. Any member participating by such means would be considered present for purposes of a quorum and may officially vote on all matters brought before the meeting (Rel. 34-19909); and (SR-DTC-83-5) which revises DTC's Institutional Delivery System (IDS) procedures as described in Section M of DTC's Participant Operating Procedures. The proposed rule change establishes procedures for the IDS interface with Pacific Securities Depository Trust Company and makes certain minor operational changes (Rel. 34-19910). Publications of the above proposals are expected to be made in the Federal Register during the week of June 27.

## NOTICE OF FOURTH AMENDMENT TO PROPOSED RULE CHANGE

The American Stock Exchange, Inc. has filed a proposed rule change under Rule 19b-4 (SR-Amex-82-22) to amend the following rules: (i) Rule 900C, to define "broad stock index group" and "stock index industry group"; (ii) Rule 904C, to establish position limits applicable to stock index industry group options; (iii) Rule 918C, to establish standards for trading halts and the resumption of trading in stock index industry group options; and (iv) Rule 462, to establish minimum margins on options on stock index industry groups. Publication of the proposal is expected to be made in the Federal Register during the week of June 27. (Rel. 34-19906)

## NOTICE OF AMENDMENT TO AND APPROVAL OF PROPOSED RULE CHANGE

The Commission has approved a proposed rule change (SR-CBOE-83-8) filed under Rule 19b-4 by the Chicago Board Options Exchange, Inc. to provide for the listing and trading of options on Standard & Poor's 500 (S&P 500) Stock Price Index with a value of \$500 times the index to be traded on the March expiration cycle. (Rel. 34-19907)
