U.S. SECURITIES AND
EXCHANGE COMMISSION

ADMINISTRATIVE PROCEEDINGS

INITIAL DECISION ISSUED AS TO WILLIAMSON & CO.,
GROVER MACCONNELL

Administrative Law Judge Max Regensteiner has issued an initial decision in proceedings under the Securities Exchange Act of 1934 respecting A.L. Williamson & Co., formerly a West Caldwell, New Jersey broker-dealer, and Grover MacConnell, a principal of the firm. He found that in 1980 the respondents sold shares of Lilac, Inc., a "shell" corporation, emanating from a controlling person of that company, in willful violation of the Securities Act's registration provisions. In addition, they were enjoined, with their consent and without admitting or denying alleged violations, from violating those provisions and MacConnell also from violating antifraud provisions of the securities laws. However, in the instant proceedings an allegation that MacConnell engaged in manipulative activities while trading Lilac stock was dismissed. In part because of action taken in another recent proceeding against respondents, no sanctions were imposed in this case. In the other proceeding, the Commission, on the basis of settlement offers, revoked the Williamson firm's broker-dealer registration and barred MacConnell from association with any broker-dealer, provided that after two years he could apply to become so associated in a non-supervisory capacity. Judge Regensteiner held that the prior order mooted the issue as to the remedial action to be taken against the Williamson firm. As to MacConnell, he concluded that no additional sanction was warranted.

The decision is subject to Commission review on petition of a party or on the Commission's own initiative.

CIVIL PROCEEDINGS

COMPLAINT NAMES MILLCREST PRODUCTS CORPORATION

The Commission announced that on June 30 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Millcrest Products Corporation (MPC) of New York, New York. The Commission's complaint alleged violations of the reporting provisions of the securities laws and sought a Judgment of Permanent Injunction and Other Equitable Relief.

The Commission alleged that MPC, as part of a continuing course of violative conduct, failed to file its Annual Report on Form 10-K for its fiscal year ended December 31, 1982, required to have been filed with the Commission by March 31, 1983, and its Quarterly Report on Form 10-Q for its quarter ended March 31, 1983, required to have been filed by May 16, 1983, failed to file various periodic reports in a timely manner, and failed to file required Notifications of Late Filing on Form 12b-25.

The Commission requested that the Court order MPC to file its delinquent Annual and Quarterly Reports and enjoin MPC from further violations of the reporting provisions of the securities laws. (SEC v. Millcrest Products Corporation, U.S.D.C. D.C., Civil Action No. 83-1898). (LR-10064)

PERMEATOR CORPORATION ENJOINED

The Commission announced that on June 30 the U.S. District Court for the District of Columbia entered a Final Judgment of Permanent Injunction against Permeator Corporation of Houston, Texas, restraining and enjoining it from failing to file timely periodic reports and ordering it to comply with certain undertakings. The Commission's complaint, filed on March 29, 1983, alleged that Permeator failed to file an annual report, and as part of a continuing course of violative conduct extending over several years, failed to file timely with the Commission certain annual and quarterly reports required to have been filed. Permeator, consenting to the entry of the Court's judgment, admitted that it had filed reports in an untimely manner on 15 separate occasions and had failed to file Notifications of Late Filing on 10 separate occasions. (SEC v. Permeator Corporation, U.S.D.C. D.C., Civil Action No. 83-0900). (LR-10065)

DEFAULT JUDGMENT ENTERED AGAINST ARVEY DROWN

The Los Angeles Regional Office announced that the Honorable A. Wallace Tashima entered an Order of Permanent Injunction by Default against Arvey Drown. The Order permanently enjoins Drown from further violating the antifraud provisions of the Securities Exchange Act of 1934. The Commission's complaint alleged that Drown, while chairman of the board of directors, president and majority shareholder of General Finance Corporation, an Arizona corporation located in Denver, Colorado, assigned to General Finance six certificates of deposit at a face amount of \$4.2 million. Those certificates of deposit, however, were worthless and had been issued by Phoenix Trust Company Limited, a shell corporation located in the British Virgin Islands. Subsequently, Drown caused General Finance to prepare financial statements in which those six certificates of deposit constituted 98 percent of the company's total reported assets. Drown then caused the financial statements to be distributed to market makers in the common stock of General Finance. (SEC v. Arvey Drown, et al., U.S.D.C. C.D. Cal., Civil Action No. 82-6361). (LR-10066)

COMPLAINT NAMES FIRST GENERAL RESOURCES COMPANY

The Commission announced that on June 30 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against First General Resources Company (FGNL) of New York, New York. The Commission's complaint alleged violations of the reporting provisions of the securities laws and sought a Judgment of Permanent Injunction and Other Equitable Relief.

The Commission alleged that FGNL, as part of a continuing course of violative conduct, failed to file its Annual Report on Form 10-K for its fiscal year ended December 31, 1982, required to have been filed with the Commission by March 31, 1983, and its Quarterly Report on Form 10-Q for its quarter ended March 31, 1983, required to have been filed by May 16, 1983, failed to file various periodic reports in a timely manner, and failed to file required Notifications of Late Filing on Form 12b-25. The Commission requested that the Court order FGNL to file its delinquent Annual and Quarterly Reports and enjoin it from further violations of the reporting provisions of the securities laws. (SEC v. First General Resources Company, U.S.D.C. D.C., Civil Action No. 83-1899). (LR-10067)
