RULES AND RELATED MATTERS

ADOPTION OF CHANGES TO RULES RELATING TO THE TRADING OF FOREIGN SECURITIES IN NASDAQ

The Commission adopted rule changes that would: (1) require certain private issuers to register securities quoted in NASDAQ; (2) revise the definition of the term "foreign private issuer"; and (3) clarify the obligation of an acquiring company to assume the periodic reporting obligations of the acquired company.

Foreign private issuers whose securities are not trading on one of the national securities exchanges have been exempt from registering with the Commission. The Commission has revised that exemption so that, prospectively, it will no longer be available to foreign private issuers whose securities trade on NASDAQ. This change is being made because the Commission believes that trading on NASDAQ is substantially the same as trading on an exchange and therefore the information available for NASDAQ traded companies should be essentially the same as for exchange traded securities. The Commission will "grandfather" foreign private issuers whose securities are now trading on NASDAQ in reliance on the exemption. Canadian issuers will be grandfathered until January 2, 1986; all other foreign private issuers will be grandfathered indefinitely. No additional equity securities can begin trading on NASDAQ unless they are registered with the Commission. (Rel. 33-6493)

LIST OF FOREIGN ISSUERS SUBMITTING INFORMATION UNDER RULE 12g3-2(b)

The Commission published a list of certain foreign private issuers which appear to be current as of October 5, 1983 in providing to the Commission information under Rule 12g3-2(b) of the Securities Exchange Act of 1934.

Rule 12g3-2(b) provides an exemption from registration under Section 12(g) of the Exchange Act for a foreign issuer which submits to the Commission on a current basis material specified in the Rule. The required material includes information investors should know concerning the issuer and its subsidiaries and which the issuer: (1) has made public under the law of the country of its domicile or in which it is incorporated or organized; (2) has filed with a stock exchange on which its securities are traded and which was made public by such exchange; and/or (3) has distributed to its security holders.

The purpose of the present release is to inform brokers, dealers and investors that some form of current information concerning the foreign issuers included on the list is available in the public files of the Commission. There are 445 foreign issuers on the list. (Rel. 34-20265)

PROPOSED REVISIONS TO RULE 12h-3

The Commission requests comments on certain revisions to Rule 12h-3 under the Securities Exchange Act of 1934. The proposed changes would permit the immediate suspension of the Section 15(d) periodic reporting obligation whenever an issuer has fewer than 300 security holders or, in the case of certain small businesses, 500 security holders.

Comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549, on or before December 5 and should refer to File No. S7-997. All comments will be available for public inspection at the Commission's Public Reference Room. (Rel. 34-20263)

ADMINISTRATIVE PROCEEDINGS

COMMISSION ACCEPTS OFFER OF SETTLEMENT AND ORDERS SUSPENSION FROM PRACTICE BEFORE THE COMMISSION BY MARTIN E. HECHT

The Commission accepted the offer of settlement by Martin E. Hecht, an attorney, in pending public administrative proceedings against him under Rule 2(e)(3) of its Rules of Practice. The Commission issued an order suspending Hecht, a resident of New York City, from appearing and practicing before it for a period of time.

The Commission previously issued an order of temporary suspension (effective March 31, 1983) against Hecht at the time it instituted the administrative proceeding. The order of temporary suspension resulted from a civil action which the Commission prosecuted against Hecht [SEC v. Aqua-Sonic Products Corp., 524 F. Supp. 866 (S.D.N.Y. 1981), aff'd, 687 F2d 571 (2d Cir.), cert. denied, 103 S.Ct. 568 (1982)].

The Commission's opinion and order found that, in the Aqua-Sonic litigation, Hecht was permanently enjoined from further violation of the registration and antifraud provisions of the securities laws and was found to have violated those provisions. The Commission found the court injunction and the judicial findings to be a basis for Hecht's disqualification from practice before the Commission under Rule 2(e)(3). The Commission ordered him suspended from practice before it for one year, beginning on the date of the temporary suspension, March 31, 1983, and in any matter in which he has a financial interest for two additional years beginning April 1, 1984. The order also provides conditions under which Hecht may resume practice before the Commission in matters in which he has a financial interest, upon completion of the period of suspension. (Rel. 33-6490)
