(Prepared by the SEC Office of Public Information)

(Issue No. 72-168)

FOR RELEASE September 1, 1972

DECISION IN ADMINISTRATIVE PROCEEDINGS

KAUMA INVESTMENT CORPORATION AND ELDEN ROY KAUMA SUSPENDED. The SEC has issued an order suspending for six months the broker-dealer registration of Kauma Investment Corporation, Esko, Minn., and suspending Elden Roy Kauma, its president and principal stockholder, from association with any broker-dealer or investment adviser for a similar period. According to the decision, from about January 1968 to June 1972, Kauma sold unregistered securities entitled "first mortgages" and "contracts for deed" issued by Cochise College Park, Inc., Lake Havasu Estates, and Corona de Tucson, Inc. and, while conducting business as a broker-dealer in securities without being registered with the Commission, effected transactions for his and others' accounts and engaged in the distribution of the above-mentioned securities, in violation of the registration provisions of the Securities Act of 1933 and Securities Exchange Act of 1934.

The Commission's action was taken pursuant to an offer of settlement in which respondents, without admitting or denying the charges, consented to the indicated findings and sanctions. (Rel. 34-9743)

COMMISSION ANNOUNCEMENTS

TRADING SUSPENDED IN DASHEW BUSINESS MACHINES. The SEC has ordered pursuant to Section 15(c)(5) of the Securities Exchange Act the temporary suspension under the Act of over-the-counter trading in the common stock, par value \$1.00 per share of Dashew Business Machines, Inc. a Delaware corporation of El Segundo, Calif., for the ten-day period commencing August 30, 1972 through September 8, 1972. The suspension was ordered because of the unavailability of adequate and accurate information concerning the company, its operations and financial condition. (Rel. 34-9754)

AMERICAN SCIENTIFIC INDUSTRIES INTERNATIONAL REG A OFFERING SUSPENDED. The SEC has issued an order temporarily suspending a Regulation A exemption from registration under the Securities Act of 1933 with respect to a public offering of stock of American Scientific Industries International (formerly C V 100 Products, Inc.; formerly 4 Spectra, Inc.) of Orem, Utah. The named underwriter for the offering was Centaur Securities Ltd., of Salt Lake City, Utah.

Pursuant to a notification filed on July 27, 1970, American Scientific offered 2,000,000 shares of its stock at \$0.10 per share. According to the order, the Commission has reason to believe that (a) the offering circular omits to state facts necessary to make the statements made, in light of the circumstances under which they were made, not misleading, particularly with respect to the failure to disclose that a portion of the proceeds would be used to purchase speculative and unseasoned common stock, and that an unsecured loan of \$12,000 would be made to one of the Issuer's officers; (b) the terms and conditions of Regulation A have not been complied with in that the Issuer filed a false Form 2-A; and (c) the offering was made in violation of Section 17 of the Securities Act of 1933.

COURT ENFORCEMENT ACTION

JOHN H. BARON SENTENCED. The SEC Seattle Regional Office announced that on August 28 that the U. S. District Court in Spokane, Wash. sentenced John H. Baron of Wayzata, Minn., to serve four years in a federal penitentiary. Baron had been charged in a 12-count indictment with violating the registration and anti-fraud provisions of the Securities Act, mail fraud and conspiracy in connection with the offer and sale of Baron Electronics Corp. stock, a company that was never formed. Baron pled guilty to one count of selling unregistered securities. (LR-5513)

HOLDING COMPANY ACT RELEASE

ALLEGHENY POWER SYSTEMS, INC. The SEC has issued an order authorizing Allegheny Power Systems, Inc., New York holding company, and three of its subsidiary electric utility companies to sell pollution control equipment installed at the Harrison Steam Electric Station. The County Court of Harrison County, W. Va. will purchase the equipment with the proceeds from a municipal bond and then lease the equipment back to the three subsidiary companies. At the end of the lease term the subsidiary companies will repurchase the equipment for the unamortized portion of the County Court bond. (Rel. 35-17681)

INVESTMENT COMPANY ACT RELEASES

PASCO, INC. The SEC has issued an order granting an application for exemption from certain provisions of the Act to permit Pasco, Inc., a registered closed-end investment company, to sell certain Mexican assets. (Rel. IC-7345)

OVER

THE ML CORPORATE INCOME FUND. The SEC has issued an order exempting from certain provisions of the Act The ML Corporate Income Fund and its sponsor, Merrill Lynch, Pierce, Fenner & Smith Incorporated. The order (1) exempts the Fund from the initial net worth requirements of the Act; (2) exempts the secondary market operations of the Fund's sponsor from daily pricing under certain conditions and permits net asset value during the initial offering period to be determined as of 3:30 p.m. regardless of the time of closing of the New York Stock Exchange; and (3) exempts the Fund from the limitation of one capital gains distribution in a single year.
