STATEMENT OF THE HONORABLE THOMAS H. MOORE
ON THE NO FEAR ACT NOTICE
November 7, 2006

This is another example of a document that has been needlessly marked "For Official Use Only." The language in this Notice was taken largely verbatim from model paragraphs published by the Office of Personnel Management in the Federal Register in July. See my statement of October 31, 2006, on the amendments to the carpet and rug standard, for a fuller discussion of this issue.
