## DECISIONS IN ADMINISTRATIVE PROCEEDINGS

### U.S. SECURITIES AND EXCHANGE COMMISSION

---

#### DECISION BARRING M. J. COEN FINAL

The decision of an administrative law judge barring M. J. Coen, of Kansas City, Missouri, from association with any broker or dealer has become final. Coen was formerly controlling stockholder and president of First California Company, a San Francisco broker-dealer whose registration as such has been previously revoked.

According to the decision, Coen violated the antifraud provisions of the securities acts in connection with the offer and sale of \$4.2 million of the subordinated capital notes of United States National Bank of San Diego (California). He failed to disclose certain practices of the bank, particularly a scheme to inflate its earnings and to make loans of questionable merit involving millions of dollars. Nor did he disclose that the actual seller of the notes was the bank's president. In addition, Coen violated the registration requirements of the Securities Act in the offer and sale of the common stock of Westgate-California Corporation, and he aided and abetted the filing of false 10-K reports by Westgate-California. (Rel. 34-12608)

#### GENERAL BOND AND SHARE CO., SAM CLARENCE PANDOLFO

The Commission has issued an order suspending the registration of General Bond and Share Co., a registered broker-dealer of Denver, Colorado and Sam Clarence Pandolfo, a principal and registered representative of General Bond and Share Co., from association with a broker-dealer, for a period of two weeks. The order is based upon an offer of settlement submitted by the respondents consenting to the sanctions, without admitting or denying the allegations in the Order for Public Proceedings. The order alleged violations of the registration and antifraud provisions of the Securities Act of 1933 and the antifraud provisions of the securities laws. (Rel. 34-12616)

## COURT ENFORCEMENT ACTIONS

#### JOSEPH AYOUB AND CHARLES BOEHM ENJOINED

The New York Regional Office announced that on June 2 and 30, final judgments of permanent injunction were entered in the U.S. District Court for the Southern District of New York enjoining Charles Boehm and Joseph Ayoub from violations of the antifraud provisions of the securities laws. In addition, Ayoub and Boehm were ordered to disgorge all profits realized by them by virtue of transactions effected in the common stock of Unitek Corporation (Unitek) during a time when they possessed material non-public information concerning an imminent tender offer for Unitek shares. Ayoub and Boehm consented to the entry of the aforementioned judgments without admitting or denying the allegations in the Commission's complaint. (SEC v. Ayoub, et al., 76 Civil 2209, RLC, S.D.N.Y.). (LR-7493)
