

LOG OF MEETING

SUBJECT: CPSC activities involving gas appliances

DATA: July 14, 1995

PLACE: American Gas Association, Arlington, VA

NON-COMMISSION ATTENDEES: Members of US/Japan Gas Safety Devices Task Force, including Kunihiro Takahashi, Japan Gas Association; Atsushi Artie Manago, Japan Gas Association; representatives of the Tokyo Gas Company, Osaka Gas Company, etc.; James Ranfone, American Gas Association; and representatives of Public Service Electric and Gas Company and others.

COMMISSION ATTENDEES: James F. Hoebel and Andrew G. Stadnik, Directorate for Engineering Sciences

LOG ENTRY SOURCE: James F. Hoebel *Ja Hoebel*

SUMMARY: Mr. Hoebel provided a presentation that reviewed the functions, authorities, and jurisdiction of CPSC. Current status of projects on Water Heaters, Ranges and Ovens, Camping Heaters, and Carbon Monoxide Detection were highlighted. Several questions were answered by Mr. Stadnik, Mr. Hoebel, and Mr. Ranfone relating to CO detection.
