Pat Fairall

NON-CPSC ATTENDEE(S): Members of the Sleep Products Safety
Council

SUMMARY OF MEETING:

At this meeting, issues related to the Consumer Product Safety Commission's (CPSC) Mattress and Bedding Fire Project were discussed. Specifically, CPSC staff presented plans for their upcoming field fire study and requested comments on their investigative guidelines and data collection plans. The possibility of industry assistance in identifying ages and types of mattresses reported through the field study was also discussed.
