SUMMARY OF MEETING:

CPSC staff attended a meeting of the Standards Technical Panel (STP) of UL 153 for Portable Luminaires at Research Triangle Park, North Carolina. The following standard issues were discussed during the meeting:

1. Comments received by UL in response to the ballot of the proposed third edition of UL 1786 (Direct Plug-In Nightlights), Subject 1786 bulletin dated December 12, 2003; and
2. Comments received by CSA in response to their constituent review of the proposed Standard for Direct Plug-In Nightlights, and proposed changes to the draft standard, as agreed to by the CSA Integrated Committee on Lighting Products.
3. Proposed new/revised requirements for UL 153.
  - Portable Hand Lights
  - Portable Hand Lamp Switch

- Play Value
- Spacers
- Tungsten Halogen Lamp Replacement
- Portable Luminaires with a Seasonal Theme
- Thickness of Tissue Paper Used in Abnormal Operation Test
- Low Voltage Lighting
