Speaking at:

Legal Conference for Matsushita Manufacturing  
Companies, Seacaucus, New Jersey  
September 10, 1998

At the invitation of Panasonic, I spoke to approximately 85 quality control/safety personnel and other staff from various Matsushita Manufacturing Companies around the world. I spoke during their Legal Conference at their U.S. headquarters in Seacaucus, NJ.

My discussion included reporting responsibilities under section 15 of the Consumer Product Safety, staff procedures on investigations of unsafe products, development and implementation of voluntary recalls, Fast Track Product Recall Information and Commission/ Industry partnerships.
