<sup>1</sup> Data refer to persons who had 3 or more years of tenure on a job they had lost or left between January 2003 and December 2005 because of plant or company closings or moves, insufficient work, or the abolishment of their positions or shifts.

<sup>2</sup> Data not shown where base is less than 75,000.

NOTE: Estimates for the above race groups (white, black or African American, and Asian) do not sum to totals because

data are not presented for all races. In addition, persons whose ethnicity is identified as Hispanic or Latino may be of any race and, therefore, are classified by ethnicity as well as by race.
