

# Imagine the Future of Aging Services...

Presentation by  
William L. Minnix, Dr.  
President & CEO, AAHSA  
to  
The Medicaid Commission  
May 2006

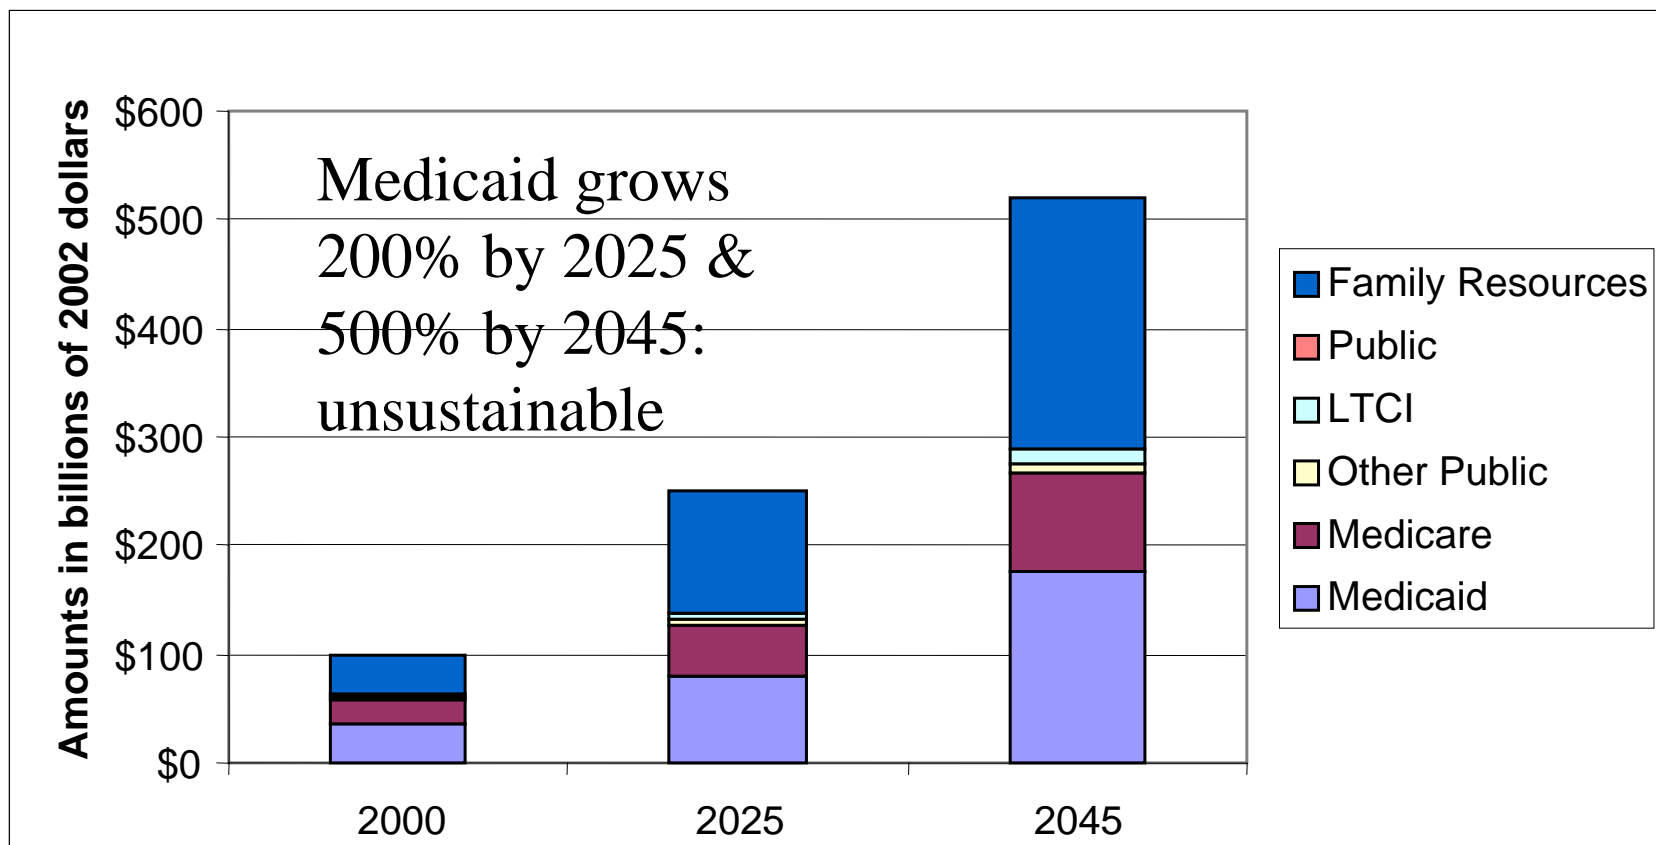

# “5 big ideas” to transform aging services over the next 3-5 years

- Expand managed care
- Reinforce housing with supportive services
- Enable technology applications
- Transform the culture across the aging services continuum
- Manage transitions of elders

# Peace of Mind

## Financing Long-Term Care For the Future

# A Broken System

# Principles for a new approach

- Premium-based insurance
- Universal, available equitably
- Disability/cash model
- Advance consumer choice
- Unique public/private balance

# Plan will:

- Fix Medicaid
- Reinforce family caregivers
- Keep family assets intact
- Provide workforce issue relief
- Create entrepreneurial services
- Achieve high levels of public satisfaction
- Offer peace of mind

# Imagine the future of aging services

Technology as accelerator
