

## OFFERS IN COMPROMISE

Article 8, Sections 1870-1875 of the California Unemployment Insurance Code (CUIC) governs the Department's Offers in Compromise program. This law permits the Employment Development Department to receive applications for Offers in Compromise that may enable a qualified tax debtor to eliminate an employment tax liability at less than full value.

### Eligibility Requirements

- The applicant's business must be inactive and no longer operating. Under these circumstances, you may apply for an Offer in Compromise whether you were an individual owner, partner, or an individual assessed under Section 1735 of the CUIC.

If the business is still operating and active, you may apply for an Offer in Compromise only if you no longer have a controlling interest or any association with the business that incurred the liability.

- Only nondisputed, final tax liabilities will be considered.
- Must not have access to income sufficient to pay more than the accumulating interest and 6.7% of the outstanding liability annually.

The following example, based on a liability of \$5,000, is provided as a guideline only:

|                  |               |              |
|------------------|---------------|--------------|
| Liability of     | \$5000        |              |
| Annual Interest* | x <u>7%</u>   | \$350        |
| Liability of     | \$5000        |              |
|                  | x <u>6.7%</u> | <u>\$335</u> |
| <u>Total</u>     |               | \$685        |

\*Interest rate may change with prime rate and is compounded daily.

Based on this example, the applicant must **NOT** have access to annual income sufficient to pay more than \$685 annually or \$57.00 per month.

- Must not have prospects of increased income or assets which allow payment within a reasonable period.
- Must not have assets which, if sold, would satisfy the liability.
- The amount offered must be more than the Department could expect to collect through involuntary means within four years of the time the offer is made.
- Compromises are prohibited for liabilities assessed for fraud (Section 1128) or where the employer has been convicted of a violation of the CUIC.
