DATE OF REGISTRATION/PUBLICATION

Mar. 18, 2002

Month Day Year

DO NOT WRITE ABOVE THIS LINE. IF YOU NEED MORE SPACE, USE A SEPARATE CONTINUATION SHEET. (Form D-VH/CON)

Please give the make and model of the vessel that embodies the design.

1 TITLE While the design is designed for the Cobra line of high speed catamaran powerboats, the design can be readily adapted to all catamarans and watercraft.

2 (a) What is the type or style of the design for which registration is sought?

DIVE HATCH SYSTEM

DESIGN (b) Provide a brief general statement setting forth the salient features of the design.

Unique system that always for safe, easy, undetected, exit and re-entry into watercraft. System also provides easy access to loading and unloading underwater equipment and cargo.

Check here if this is a single design.

Check here if registering more than one design. Use Form D-VH/CON for additional designs.

(c) If this design is derived from an earlier design, describe how that design has been revised, adapted, or rearranged.

3 DESIGNER(S) Provide the name and address of the designer(s). The name of the employer may be given instead of the designer(s) if, (1) the design was made within the regular scope of employment of the designer(s) and (2) the individual authorship of the design is difficult or impossible to ascribe.

Check here if those conditions are satisfied and you are providing the employer's name.

Name: Top Cat Marine Security, Inc

Address: 108 King Street
Malverne, New York 11565

4 OWNER, IF NOT DESIGNER(S) If the owner is different from the designer(s) or employer named above, provide the name and address of the owner:

Name: Top Cat Marine Security, Inc.

Address: 108 King Street
Malverne, New York 11565

5 (a) PRIORITY CLAIM Was an application for registration of this design identified in an application filed in a foreign country that extends to designs of owners who are citizens of the United States, or to persons filing applications in the United States, similar protection to that afforded in 17 U.S.C. chapter 13?

Yes No

(b) If yes, identify the country and date of application:

Country: n/a

Date of application: n/a

Serial No: n/a

6 DATE MADE PUBLIC Was this design made public before the date of application? Yes No

If yes, on what date? n/a

DECLARATION: The undersigned, as the applicant or the applicant's duly appointed agent or representative, being hereby warned that willful false statements are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of this application or any resulting registration, hereby declares to the best of his/her knowledge and belief:

- (1) that the design has been fixed in a useful article;
- (2) that the design is original and was created by the designer(s), or employer if applicable, named in the application;
- (3) that those aspects of the design for which registration is sought are not protected by a design patent;
- (4) that the design has not previously been registered on behalf of the applicant or applicant's predecessor in title; and
- (5) that the applicant is the person entitled to protection and to registration under chapter 13 of title 17, United States Code.

Complete if applicable:

The design has been made public with a design notice as prescribed by 17 U.S.C. §1306.

Following is the exact form of the design notice:

"Protected Design by Top Cat Marine Security, Inc., 2002"

Where on the useful article is the design notice located?

On forward wall of watertight box assembly.

If the undersigned is not the applicant, he/she is properly authorized to execute this application on behalf of the applicant.
