GENERAL INFORMATION, INSTRUCTIONS, AND DEFINITIONS FOR COMMISSION FOREIGN PRODUCER/EXPORTER QUESTIONNAIRES

CITRIC ACID AND CERTAIN CITRATE SALTS FROM CANADA AND CHINA

Investigation Nos. 701-TA-456 and 731-TA-1151-1152 (Final)

Further information.--If you have any questions concerning the enclosed questionnaire(s) or other matters related to these investigations, you may contact the following members of the Commission's staff (Fax 202-205-3205):

Christopher Cassise, investigator (202-708-5408; E-mail chris.cassise@usitc.gov)

GENERAL INFORMATION

Background.--These investigations were instituted in response to a petition filed on April 14, 2008, by Archer Daniels Midland Co., Decatur, IL; Cargill, Inc., Wayzata, MN; and Tate & Lyle Americas, Inc., Decatur, IL. Antidumping and countervailing duties may be assessed on the subject imports as a result of these investigations if the Commission makes affirmative determinations of injury, threat, or material retardation, and if the U.S. Department of Commerce makes an affirmative determination of subsidization and/or dumping.

Questionnaires and other information pertinent to these investigations are available at http://www.usitc.gov/trade_remedy/731_ad_701_cvd/investigations/active/index.htm
Address all correspondence to the United States International Trade Commission, Washington, DC 20436. Hearing-impaired individuals can obtain information regarding these investigations via the Commission's TDD terminal (202-205-1810).

Due date of questionnaire(s).--Return the completed questionnaire(s) to the United States International Trade Commission by no later than February 9, 2009. **Return only one copy of the completed questionnaire(s), but please keep a copy for your records so that you can refer to it if the Commission staff contacts you with any questions during the course of the investigations.**

Service of questionnaire response(s).--In the event that your firm is a party to these investigations, you are required to serve a copy of the questionnaire(s), once completed, on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 207.7). A list of such parties is maintained by the Commission's Secretary and may be obtained by calling 202-205-1803. A certificate of service must accompany the copy of the completed questionnaire(s) you submit (see 19 CFR § 207.7).

Confidentiality.--The commercial and financial data furnished in response to the enclosed questionnaire(s) that reveal the individual operations of your firm will be treated as confidential by the Commission to the extent that such data are not otherwise available to the public and will not be disclosed except as may be required by law (see 19 U.S.C. § 1677f). Such confidential information will not be published in a manner that will reveal the individual operations of your firm; however, nonnumerical characterizations of numerical business proprietary information (such as discussion of trends) will be treated as confidential business information only at the request of the submitter for good cause shown.

GENERAL INFORMATION--Continued

Verification.--The information submitted in the enclosed questionnaire(s) is subject to audit and verification by the Commission. To facilitate possible verification of data, please keep all your workpapers and supporting documents used in the preparation of the questionnaire response(s).

Release of information.--The information provided by your firm in response to the questionnaire(s), as well as any other business proprietary information submitted by your firm to the Commission in connection with the investigations, may become subject to, and released under, the administrative protective order provisions of the Tariff Act of 1930 (19 U.S.C. § 1677f) and section 207.7 of the Commission's Rules of Practice and Procedure (19 CFR § 207.7). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with these investigations or other import-injury investigations conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.

INSTRUCTIONS

Answer all questions.--Do not leave any question or section blank unless a questionnaire expressly directs you to skip over certain questions or sections. If the answer to any question is "none," write "none." **If information is not readily available from your records in exactly the form requested, furnish carefully prepared estimates--designated as such by the letter "E"--and explain the basis of your estimates.** Answers to questions and any necessary comments or explanations should be supplied in the space provided or on separate sheets attached to the appropriate page of the questionnaire(s). If your firm is completing more than one questionnaire in connection with these investigations (i.e., a producer, importer, purchaser, and/or foreign producer questionnaire), you need not respond to duplicated questions in the questionnaires.

Consolidate all establishments in Canada and China.--Report the requested data for your establishment(s) located in Canada or China. **Firms operating more than one establishment should combine the data for all establishments into a single report.**

Filing instructions.—Questionnaires may be filed either in paper form or electronically.

OPTIONS FOR FILING

- **Overnight mail service.**—Mail to the following address:

**United States International Trade Commission
Office of Investigations, Room 615
500 E Street, SW
Washington, DC 20024**

- **Fax.**—Fax to 202.205.3205.
- **U.S. mail.**—Mail to the address above, but use zip code 20436. *This option is not recommended. U.S. mail sent to government offices undergoes additional processing to screen for hazardous materials; this additional processing results in substantial delays in delivery.*
- **Compact disc (CD).**—Copy your questionnaire onto a CD, include a signed certification page (page 1) (either in paper form or scanned PDF copied onto CD), and mail to the address above. *It is strongly recommended that you use an **overnight mail service**. U.S. mail sent to government offices undergoes additional processing which not only results in substantial delays in delivery but may also damage CDs.*
- **E-mail.**—E-mail your questionnaire to the investigator identified on page 1 of the Instruction Booklet; include a scanned PDF of the signed certification page (page 1). *Please note that submitting your questionnaire by e-mail may subject your firm's business proprietary information to transmission over an unsecure environment and to possible disclosure. If you choose this option, the Commission warns you that any risk involving possible disclosure of such information is assumed by the submitter and not by the Commission.*

Note: If you are a party to the investigations, and service of the questionnaire is required, such service should be made in paper form.

DEFINITIONS

Citric acid and certain citrate salts.—All grades and granulation sizes of citric acid, sodium citrate, and potassium citrate in their unblended forms, whether dry or in solution, and regardless of packaging type. The scope also includes blends of citric acid, sodium citrate, and potassium citrate; as well as blends with other ingredients, such as sugar, where the unblended form(s) of citric acid, sodium citrate, and potassium citrate constitute 40 percent or more, by weight, of the blend. The scope of this investigation also includes all forms of crude calcium citrate, including dicalcium citrate monohydrate, and tricalcium citrate tetrahydrate, which are intermediate products in the production of citric acid, sodium citrate, and potassium citrate.

The scope of these investigations does not include calcium citrate that satisfies the standards set forth in the United States Pharmacopeia and has been mixed with a functional excipient, such as dextrose or starch, where the excipient constitutes at least 2%, by weight, of the product.

The scope of these investigations includes the hydrous and anhydrous forms of citric acid, the dihydrate and anhydrous forms of sodium citrate, otherwise known as citric acid sodium salt, and the monohydrate and monopotassium forms of potassium citrate. Sodium citrate also includes both trisodium citrate and monosodium citrate, which are also known as citric acid trisodium salt and citric acid monosodium salt, respectively.

Citric acid and sodium citrate are classifiable under subheadings 2918.14.00 and 2918.15.10 of the Harmonized Tariff Schedule of the United States (HTSUS), respectively. Potassium citrate and crude calcium citrate are classifiable under subheadings 2918.15.50 and 3824.90.92 of the HTSUS, respectively. Blends that include citric acid, sodium citrate, and potassium citrate are classifiable under subheading 3824.90.92 of the HTSUS. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Firm.--An individual proprietorship, partnership, joint venture, association, corporation (including any subsidiary corporation), business trust, cooperative, trustee in bankruptcy, or receiver under decree of any court.

Related firm.--A firm that your firm solely or jointly owned, managed, or otherwise controlled; a firm that solely or jointly owned, managed, or otherwise controlled your firm; and/or a firm that was solely or jointly owned, managed, or otherwise controlled by a firm that also solely or jointly owned, managed, or otherwise controlled your firm.

Establishment.--Each facility of a firm in Canada or China involved in the production of citric acid or certain citrate salts (as defined above), including auxiliary facilities operated in conjunction with (whether or not physically separate from) such facilities.

United States.--For purposes of these investigations, the 50 States, Puerto Rico, the U.S. Virgin Islands, and the District of Columbia.

DEFINITIONS—*Continued*

Importer.--Any person or firm engaged, either directly or through a parent company or subsidiary, in importing citric acid or certain citrate salts (as defined above) into the United States from a foreign manufacturer or through its selling agent.

Average production capacity.--The level of production that your establishment(s) could reasonably have expected to attain during the specified periods. Assume normal operating conditions (i.e., using equipment and machinery in place and ready to operate; normal operating levels (hours per week/weeks per year) and time for downtime, maintenance, repair, and cleanup; and a typical or representative product mix).

Production.--All production in your establishment(s) in Canada or China, including production consumed internally within your firm.

Shipments.--Shipments of products produced in your establishment(s) in Canada or China. Quantities reported should be net of returns.

Home market commercial shipments.--Shipments, other than internal consumption and transfers to related firms, within Canada or China.

Home market internal consumption/transfers to related firms.--Shipments made to related firms in Canada or China, including product consumed internally by your firm.

Export shipments.--Shipments to destinations outside Canada or China, including shipments to related firms.

Inventories.--Finished goods inventory, not raw materials or work-in-progress.
