#### **ME "A" School Eligibility Criteria:**

1. Security Clearance - Eligible for a SECRET security clearance. Commands must certify that the member is a U. S. citizen and has an approved NACLIC security package on file.
2. Lautenberg Amendment Compliance - A member who is prohibited from carrying a weapon in accordance with the Domestic Violence Offender Gun Ban is ineligible for the ME rating.
3. Color vision - Members must possess normal color vision.
4. Weight standards - Members must be in compliance with Commandant weight standards.
5. ASVAB scores - Must have achieved a combined score of 100 between Verbal Reasoning (VE) and Arithmetic Reasoning (AR).
6. Physical Fitness - Complete either the Boarding Officer and Boat Crew Physical Fitness test or the Deployable Specialized Forces Tier II Physical Fitness test after 01 January 2009. Members with a documented and temporary medical condition that precludes them from being able to pass the physical fitness test may request a waiver. Waiver requests shall be submitted to the ME Rating Force Master Chief (MECM Muise). These physical fitness standards must be completed prior to graduation.
7. Weapons Qualifications - Need not have all weapons qualifications as pre-requisites, though full weapons qualifications will be a ME "A" school graduation requirement. Full weapons qualifications include: judgmental pistol course, basic and practical pistol, basic and combat rifle, and shotgun.
8. Driver's License - Must have a valid state-issued driver's license.
9. Obligated service - 24 months of obligated service from their graduation date.

**Departures:** YN2 Petrice Blanco has taken over for YN1 Cooper on the Reserve "A" school side of PSC-RPM. YN1 Jamie Cooper has departed the Reserve A school assignment side of PSC-RPM. We would like to wish YN1 Cooper well on all her future endeavors and appreciate her time and dedication to the Reserve "A" school assignments.

**Notice to Members OUTCONUS:** If a member elects to ship his/her vehicle based off of PCS TEMDUINS orders to "A" school for less than 20 weeks, they must be properly counseled and the following statement on their orders issued by PSC-epm-2. "Member serving OCONUS may ship their POV in accordance with JFTR U5440.D, to their Class "A" school; however they must be counseled on possible excess cost. You are authorized to ship one POV from (insert name of OCONUS unit) to your new PDS following completion of Class "A" training under 20 weeks at (insert training center) in accordance with JFTR U5440.D. Your POV shipment entitlement is from the port/VPC serving your OCONUS unit to the port/VPC serving the PDS that will later be identified upon completion of "A" school. Since the next PDS is not identified at this time, you may be subject to excess cost. Should you receive orders back to your previous PDS, another OCONUS PDS, or to an area where the receiving VPC is different from the VPC where the POV was originally shipped, you will be required to pay excess charges." The following must be completed following the counseling of the member of this entitlement: 1. Statement from the PCS AO or the designated representative that the member was advised before the PCS authorization/order was issued that the PCS authorization/order would be issued. 2. Written agreement signed by the member to remit the entire cost of transportation if a PCS authorization/order to authorize transportation is not issued later. 3. Written agreement signed by the applicant to pay any additional costs for transshipment of the POV to another port required because the new PDS named in the authorization/order is different than that named in the statement required in par. U5440.D.1.

**Important Notice to Members and Commands Regarding Weight Standards:** IAW Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8G, Chapter 3.5, if a member shows up to "A" School overweight they may potentially be "fault" disenrolled which means they will not eligible to be placed on any "A" school list for a minimum of 1 year. Commands are urged to contact one of the "A" school Assignment Officers as soon as possible if their member is on the verge of or not within weight standards. We kindly ask that in these instances that commands refrain from contacting the schools directly. We will communicate with the "A" School.

**Four Month Wait Requirement:** IAW ALCOAST 563/04, all Non-Rates regardless of paygrade must serve a minimum of four months

at their first duty station prior to submitting a request to attend "A" school. This requirement may only be waived for members that are applying to ratings that are critical. Current critical ratings are as follows: EM, ET, FS and OS.

**NJP and Alcohol Incidents:** If you receive NJP, your name will be removed from the "A" School list for a minimum of 6 months. After the 6 month period has ended, you may reapply to be placed on any "A" School list as long as all prerequisites are met. If you receive an alcohol incident, you will be placed on an "ADMIN" hold. This hold can only be removed if you are recommended for advancement on your next set of semi-annual evaluations. Commands are reminded to contact one of the "A" School Assignment Officers as soon as a member has received NJP and/or an Alcohol Incident.

**Married Members or Members with Dependents:** If you are married or have dependents, your "A" school orders should reflect TDY. This means that your dependents will not and are not authorized to travel to "A" school with you. Once you complete your TDY at "A" school, you will return to your permanent unit and execute your PCS orders from there. If you have no reason to return to your permanent unit, you can request through your Admin to have your TDY orders changed to PCS. You will then execute your PCS orders from "A" school. **ONLY EXCEPTION:** Due to the length of IT and ET "A" school, your dependents are authorized to travel with you to those "A" schools.

**"A" School Requests:** An official format is located on our web site at <http://www.uscg.mil/psc/epm/AO/NonRate.asp>. Please review the format for the correct information before submitting requests. Email is the preferred method.

**YN Distance Learning:** The published YN distance learning waiting list can be found at [http://www.uscg.mil/psc/epm/docs/YNA\\_DISTANCE\\_COURSE\\_LIST.pdf](http://www.uscg.mil/psc/epm/docs/YNA_DISTANCE_COURSE_LIST.pdf). When submitting a YN "A" School Request please state whether the member would also want to be placed on this list as well. Applicants must be in pay grade E-3 or above, meet YN ASVAB requirements, must be fit for full duty, and available for worldwide assignment. More information can be found at <http://www.uscg.mil/psc/epm/AO/YNEast.asp> or by contacting CWO Cerino at (202) 493-1290 or YN3 Lazakovich at (202) 493-1276.

**Aviation "A" School Reminder:** All members interested in aviation rates should note that the Airman Program begins 4 months prior to the actual class convening date.

- EM – ALCGENL 003/05
- ET – ALCGENL 003/05
- FS – ALCGENL 003/05
- OS – ALCGENL 163/08

**CLASS 'A' SCHOOL FAQ's**

**Security Clearances** (see your unit security officer for details): The following schools require an SF-86 (security clearance package) be mailed to SECCEN prior to attending "A" School: AET, AMT, AST, ET, GM, IT, OS, & PA. On each application, the command must certify that this package was mailed to SECCEN. This statement must accompany each application: ***"this command certifies that mbr is a U.S. citizen and NACLIC security package mailed to SECCEN on (date)"***. If we do not receive this statement, mbr will be added to the list...but will be placed on SEC hold until the command can certify that the package was mailed SECCEN.

**IS "A" School** applicants must complete the following security clearance requirements:

1. Schedule an SCI interview with the CG Headquarters Special Security Officer (SSO) at (202) 372-2748. Ops permitting, interviews will be held on Fridays from 0800-1400 EST.
2. If SCI interview results are favorable, submit a request for placement on the IS "A" School Waiting List. Ensure the following statement is included: "This command certifies that member is a U.S. Citizen. SCI pre-nomination interview conducted on (date.)" Upon receipt of application, member will be placed on the "A" school Waiting List, however in a Security (SEC) hold status.

When expected wait time for member to attend IS Class "A" School is between 6-8 months, member will be notified by PSC (epm-2) for Active Duty and PSC (rpm) for Reserve to ensure a Single Scope Background Investigation (SSBI) is submitted to the CG Security Center (SECCEN). Upon confirmation that a SSBI is underway by SECCEN, the (SEC) hold will be removed.

**Normal Color Vision:** The following ratings require normal color vision: AET, AMT, AST, BM, EM, ET, GM, HS, IS, IT, MK and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: ***"this command certifies that mbr has been medically screened on (date) and has normal color perception"***. If we do not receive this statement, mbr will be added to the list...but will be placed on MED hold until the command can certify the candidate's vision.

**Normal Hearing:** The following ratings require normal hearing: AST, IS and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: ***"this command***

**Citizenship:** Just a reminder that AET, AMT, AST, ET, GM, IS, IT, OS and PA schools require all members to be U.S. Citizens. Make sure that you note this on all your applications for these schools. Also, you cannot have dual citizenship.

**Obligated service:** The following is a listing of obligated service requirements. This period of obligated service will commence on the date of graduation from "A" School. Applicant's not having the necessary active duty obligated service requirement for "A" School remaining on their present contract, must reenlist or sign an Agreement to Extend Enlistment to cover the required period prior to departing their unit for school. Members disenrolled from Class "A" School at their own request, for lack of application, or for misconduct will be required to fulfill their full-obligated service requirement. Personnel disenrolled for academic, humanitarian, or for the good of the Coast Guard may, upon the approval of EPM-1 have their obligated service requirement rescinded or reduced to cover the period of schooling received.

**OTHER INFORMATION**

“A” School orders are issued approximately ten weeks prior to class convening via direct access airport terminal. If the command does not have access to DA, the unit should contact their SPO for the member’s orders.

The following is a listing of qualifying ASVAB/AFQT scores for attending class “A” School. Members requiring an ASVAB beyond CO’s/OINC’s five (5) point combined approving authority or waivers for a single minimum score must send a msg to COMDT COGARD WASHINGTON DC //CG-132// requesting an additional waiver, POC: Mary Norwood at 202-475-5485. **UPCOMING CLASS “A” SCHOOL CONVENINGS**

Listed below are the next three class convenings for which orders have not been issued for at the present time. Be aware that changes to the schedule can and do occur; if your name is still on one of the school lists, then you did not receive orders. However, if your name appears near the top of the waiting list, be ready to receive orders at anytime because of possible cancellations. Every attempt is made to fill all quotas up to one week prior to class convening. Member’s who are placed on lists with a projected wait time of less than 6 months are eligible to receive orders at any time. Commands are reminded to contact one of the A school assignment officers if there are any questions or concerns regarding this.
