Dear Mr. Secretary:

I am a concerned American Citizen that believes the present FTC ruling on labeling products made in the United States should NOT BE CHANGED. I believe in the U.S. Constitution and U.S. Sovereignty and TRUTH.

To label any product that is "partially" made in a foreign Country as "Made in the USA" is a LIE and therefore not the TRUTH. The "Made in the USA" label signifies the quality of the product and that the product was made by American labor under U.S. Labor Laws which protects basic working conditions, minimum wages, and human rights.

I recommend that all U.S. Companies making U.S. products be required to be TRUTHFUL IN LABELING their products. KEEP THE "MADE IN THE U.S.A" label as it is... DO NOT CHANGE IT!
 "...God Save the Republic of the United States of America?"

Sincerely,

DONALD G. KNIGHT
