

21 JULY, 1997

DEAR MR. SECRETARY:

AS A WORKING AMERICAN CITIZEN  
I URGE YOU TO HELP PROTECT  
AMERICAN WORKERS AND AMERICAN  
JOBS!!

THE SINGLE, MOST IMPORTANT, STEP  
IN DOING THIS IS SIMPLY TO SAY  
THAT WHEN SOMETHING IS STAMPED  
"MADE IN AMERICA" THAT IS EXACTLY  
WHAT IT MEANS --- NOT SOME PART,  
NOT PARTIALLY ASSEMBLED, NOT MADE IN  
U.S.A. OF IMPORTED MATERIALS OR ANY  
OTHER VARIATION OF THE ABOVE - MADE  
IN U.S.A. SHOULD MEAN "MADE IN U.S.A."  
ALL OF IT, TOTALLY, MANUFACTURED,  
ASSEMBLED, INSTALLED ETC. IN U.S.A. BY  
AMERICAN WORKERS.

I WORK TOO HARD AND GET PAID  
TOO LITTLE TO SEE MY MONEY GOING TO  
LINE THE POCKETS OF SOME GIANT CORP.  
THAT PAYS FOREIGN WORKERS "NOTHING" -

KEEP IT IN AMERICA!!
