Dear Sir:

When you are considering the "Made in the U.S.A." policy, simply state the TRUTH, in advertising. If a product is 60, 90, or 100% "Made in the U.S.A.", tell it like it is.

The Book, in Deuteronomy 25:13, makes it very plain, "Thou shalt not have different weights, a great and small." Truth is truth, it cannot be perverted.

Also, please see the "Constitution of the United States," Article I, Sec. 8, para. 5.

Sincerely,
Mildred Harms
