Gentlemen,
We protest your Fraudulent proposal to
change the "MADE IN USA" Labeling of
Products. Keep it as it presently is.
We are sick of Fraud, Dishonesty and
Greed in the Leadership of this Country.
you are paid with U.S. Tax-Payer money
to protect Citizens of the U.S.A., not of
Foreign Countries. We urge you to
refrain from lowering this standard, at the
expense of consumers & jobs in the United States!
