

Made in the U.S.A. Policy Comment
Office of the Secretary,
Federal Trade Commission, Room 159
Baltimore Ave. N.W.

USPS 1095

Gentlemen:

We protest your proposal to change
the "Made in USA" labeling of products.
Leave it as it presently is.

We are tired of dishonesty and greed
in the leadership of this Country.
U.S. tax-payers' money pays you to
protect citizens of the U.S.A. — not of
foreign Countries.

3005 Biltmore Ave.
Montgomery, Alabama 36109

Sincerely,
Mr. + Mrs. Henry F. Poe
