SECRETARY

924

Aug 10-1997

Mr Secretary -

Let's get back &
have "MACE IN AMERICA"
mean what it says.

T his is just
another step in
"ON THE SLIPPERY
SLOPE" TO OBLIVION"
by judge Bush.

Let's put
America first not
a snare or intentional
compromise.

Sincerely,
G. W. F. G. G. G.
