Jonathan Katz, Secretary of SEC,

I would like to testify at the April 21 hearings of the SEC in NYC.

The issues I would like to comment on are the following:

- (1) Fairness and Transparency (for all)
- (2) Existence and rights of the ECNs
- (3) The Trade Show rule
- (4) Payment for order flow
- (5) Who is the Public?
- (6) The use + value of the Specialist on the NYSE and the incentive for constructive Capital Risk
- (7) Touch on a proposal of mine concerning the decimalization process + debate so all can be satisfied + treated fairly.

I'd make every attempt to be brief but yet get the message across.

My heart is there to testify -  
to help not hurt the hearings,

Respectfully + Sincerely  
Jack N. Wilentz

off the record or not

P.S. I do artwork on a lobby considered highly by most and is hanging on display in 15 Senate, House and other Wash offices. I received a note from President Bush thanking me for one.
