

Note:

The Air Quality Control Board (AQCB) adopted the new regulation 20.11.46 NMAC, Western Backstop Sulfur Dioxide Trading Program, to address regional haze requirements. The final version of the regulation, which became effective on December 31, 2003, is not included in the Appendices as submitted to EPA. Contact the Air Quality Division, Control Strategies Section, for a copy of the finalized Western Backstop Sulfur Dioxide Trading Program regulation or access it through the AQD website at www.cabq.gov/airquality/publicreg.html.
