RESPONDENTS' COURSE OF BUSINESS

PAR. 25. GECM is a video dating franchisor. It sells and services franchise operations throughout the United States. As part of its regular course of business, GECM has created and disseminated retail installment contracts (Exhibits 1 and 2) to the franchises described in paragraphs two through twenty-four. The GECM retail installment contracts purport to incorporate the disclosures required by the TILA.

PAR. 26. Respondents Great Expectations are video dating franchises. Respondents have provided financing to their members using retail installment contracts such as Exhibits 1 and 2 to disclose the terms of the financing.

PAR. 27. GECM's TILA disclosure (Exhibit 1) contains erroneous instructions for calculating and disclosing the finance charge and contains a pre-printed annual percentage rate ("APR") of 18%. In addition, Exhibit 1 fails to make the TILA disclosures in the format required by the TILA and fails to identify the creditor as required by the TILA.

PAR. 28. In 1988, GECM learned from its auditor that the calculations and disclosures contained in Exhibit 1 did not comply with the TILA. Nevertheless, it continued to disseminate Exhibit 1 to its franchisees and failed to notify them of the erroneous calculations and disclosures.

PAR. 29. In late 1990, GECM created a new retail installment contract, which also purported to incorporate the disclosures required by the TILA and which contained a pre-printed APR of 19.6%

(Exhibit 2). Exhibit 2 fails to identify the creditor as required by the TILA and fails to provide the information required by the TILA in the itemization of the amount financed. Furthermore, GECM has disseminated Exhibit 2 to its franchisees but has failed to inform them to discontinue using the erroneous calculation and disclosure instructions that it had previously supplied in Exhibit 1.

PAR. 30. Respondents Great Expectations are creditors as that term is defined in the TILA and Regulation Z.

PAR. 31. The acts and practices of respondents Great Expectations and GECM alleged in this complaint have been and are in or affecting commerce, as "commerce" is defined in Section 4 of the FTC Act.

PAR. 33. Respondent GECM has furnished its franchises with TILA disclosures (Exhibits 1 and 2) that, on their face, violated the TILA. PAR. 34. In the course and practice of its business as described in paragraphs twenty-five through twenty-nine, and paragraph thirty-three, respondent GECM has provided respondents Great Expectations with the means and instrumentalities to violate the Section 5 of the FTC Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of TRIAAC Enterprises, Inc., a corporation, and respondent having been furnished thereafter with a copy of the draft of complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violations of Section 5(a) of the Federal Trade Commission Act and the Truth in Lending Act; and

The respondent, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that respondent has violated the said Acts, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

- 1. - 2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondent, and the proceeding is in the public interest.

RESPONDENTS' COURSE OF BUSINESS

- PAR. 25. GECM is a video dating franchisor. It sells and services franchise operations throughout the United States. As part of its regular course of business, GECM has created and disseminated retail installment contracts (Exhibits 1 and 2) to the franchises described in paragraphs two through twenty-four. The GECM retail installment contracts purport to incorporate the disclosures required by the TILA.
- PAR. 26. Respondents Great Expectations are video dating franchises. Respondents have provided financing to their members using retail installment contracts such as Exhibits 1 and 2 to disclose the terms of the financing.
- PAR. 27. GECM's TILA disclosure (Exhibit 1) contains erroneous instructions for calculating and disclosing the finance charge and contains a pre-printed annual percentage rate ("APR") of 18%. In addition, Exhibit 1 fails to make the TILA disclosures in the format required by the TILA and fails to identify the creditor as required by the TILA.
- PAR. 28. In 1988, GECM learned from its auditor that the calculations and disclosures contained in Exhibit 1 did not comply with the TILA. Nevertheless, it continued to disseminate Exhibit I to its franchisees and failed to notify them of the erroneous calculations and disclosures.
- PAR. 29. In late 1990, GECM created a new retail installment contract, which also purported to incorporate the disclosures required by the TILA and which contained a pre-printed APR of 19.6%

(Exhibit 2). Exhibit 2 fails to identify the creditor as required by the TILA and fails to provide the information required by the TILA in the itemization of the amount financed. Furthermore, GECM has disseminated Exhibit 2 to its franchisees but has failed to inform them to discontinue using the erroneous calculation and disclosure instructions that it had previously supplied in Exhibit 1.

- PAR. 30. Respondents Great Expectations are creditors as that term is defined in the TILA and Regulation Z.
- PAR. 31. The acts and practices of respondents Great Expectations and GECM alleged in this complaint have been and are in or affecting commerce, as "commerce" is defined in Section 4 of the FTC Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of respondent V.L.P. Enterprises, Inc., a corporation, and respondent having been furnished thereafter with a copy of the draft of complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violations of Section 5(a) of the Federal Trade Commission Act and the Truth in Lending Act; and

The respondent, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that respondent has violated the said Acts, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

RESPONDENTS' COURSE OF BUSINESS

- PAR. 25. GECM is a video dating franchisor. It sells and services franchise operations throughout the United States. As part of its regular course of business, GECM has created and disseminated retail installment contracts (Exhibits 1 and 2) to the franchises described in paragraphs two through twenty-four. The GECM retail installment contracts purport to incorporate the disclosures required by the TILA.
- PAR. 26. Respondents Great Expectations are video dating franchises. Respondents have provided financing to their members using retail installment contracts such as Exhibits 1 and 2 to disclose the terms of the financing.
- PAR. 27. GECM's TILA disclosure (Exhibit 1) contains erroneous instructions for calculating and disclosing the finance charge and contains a pre-printed annual percentage rate ("APR") of 18%. In addition, Exhibit 1 fails to make the TILA disclosures in the format required by the TILA and fails to identify the creditor as required by the TILA.
- PAR. 28. In 1988, GECM learned from its auditor that the calculations and disclosures contained in Exhibit 1 did not comply

with the TILA. Nevertheless, it continued to disseminate Exhibit 1 to its franchisees and failed to notify them of the erroneous calculations and disclosures.

PAR. 29. In late 1990, GECM created a new retail installment contract, which also purported to incorporate the disclosures required by the TILA and which contained a pre-printed APR of 19.6% (Exhibit 2). Exhibit 2 fails to identify the creditor as required by the TILA and fails to provide the information required by the TILA in the itemization of the amount financed. Furthermore, GECM has disseminated Exhibit 2 to its franchisees but has failed to inform them to discontinue using the erroneous calculation and disclosure instructions that it had previously supplied in Exhibit 1.

PAR. 30. Respondents Great Expectations are creditors as that term is defined in the TILA and Regulation Z.

PAR. 31. The acts and practices of respondents Great Expectations and GECM alleged in this complaint have been and are in or affecting commerce, as "commerce" is defined in Section 4 of the FTC Act.

COUNT I

PAR. 32. Paragraphs one through thirty-one are incorporated herein by reference.

PAR. 33. Respondent GECM has furnished its franchises with TILA disclosures (Exhibits 1 and 2) that, on their face, violated the TILA. When used by respondents Great Expectations, Exhibits 1 and 2 have resulted in false and misleading disclosures of APRs and finance charges to consumers in violation of Section 5 of the FTC Act.

PAR. 34. In the course and practice of its business as described in paragraphs twenty-five through twenty-nine, and paragraph thirty-three, respondent GECM has provided respondents Great Expectations with the means and instrumentalities to violate the Section 5 of the FTC Act.

PAR. 35. The practices described in paragraph thirty-four constitute unfair or deceptive acts or practices in violation of Section 5(a) of the Federal Trade Commission Act, 15 U.S.C. 45(a).

RESPONDENTS' COURSE OF BUSINESS

- PAR. 25. GECM is a video dating franchisor. It sells and services franchise operations throughout the United States. As part of its regular course of business, GECM has created and disseminated retail installment contracts (Exhibits 1 and 2) to the franchises described in paragraphs two through twenty-four. The GECM retail installment contracts purport to incorporate the disclosures required by the TILA.
- PAR. 26. Respondents Great Expectations are video dating franchises. Respondents have provided financing to their members using retail installment contracts such as Exhibits 1 and 2 to disclose the terms of the financing.
- PAR. 27. GECM's TILA disclosure (Exhibit 1) contains erroneous instructions for calculating and disclosing the finance charge and contains a pre-printed annual percentage rate ("APR") of 18%. In addition, Exhibit 1 fails to make the TILA disclosures in the format required by the TILA and fails to identify the creditor as required by the TILA.
- PAR. 28. In 1988, GECM learned from its auditor that the calculations and disclosures contained in Exhibit 1 did not comply with the TILA. Nevertheless, it continued to disseminate Exhibit 1

470

Complaint

to its franchisees and failed to notify them of the erroneous calculations and disclosures.

PAR. 29. In late 1990, GECM created a new retail installment contract, which also purported to incorporate the disclosures required by the TILA and which contained a pre-printed APR of 19.6%. (Exhibit 2). Exhibit 2 fails to identify the creditor as required by the TILA and fails to provide the information required by the TILA in the itemization of the amount financed. Furthermore, GECM has disseminated Exhibit 2 to its franchisees but has failed to inform them to discontinue using the erroneous calculation and disclosure instructions that it had previously supplied in Exhibit 1.

PAR. 30. Respondents Great Expectations are creditors as that term is defined in the TILA and Regulation Z.

PAR. 31. The acts and practices of respondents Great Expectations and GECM alleged in this complaint have been and are in or affecting commerce, as "commerce" is defined in Section 4 of the FTC Act.

COUNT I

- PAR. 32. Paragraphs one through thirty-one are incorporated herein by reference.
- PAR. 33. Respondent GECM has furnished its franchises with TILA disclosures (Exhibits 1 and 2) that, on their face, violated the TILA. When used by respondents Great Expectations, Exhibits 1 and 2 have resulted in false and misleading disclosures of APRs and finance charges to consumers in violation of Section 5 of the FTC Act.
- PAR. 34. In the course and practice of its business as described in paragraphs twenty-five through twenty-nine, and paragraph thirty-three, respondent GECM has provided respondents Great Expectations with the means and instrumentalities to violate the Section 5 of the FTC Act.
- PAR. 35. The practices described in paragraph thirty-four constitute unfair or deceptive acts or practices in violation of Section 5(a) of the Federal Trade Commission Act, 15 U.S.C. 45(a).

## **DECISION AND ORDER**

The Federal Trade Commission having initiated an investigation of certain acts and practices of respondent Great Expectations of Columbus, Inc., a corporation, and respondent having been furnished thereafter with a copy of the draft of complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violations of Section 5(a) of the Federal Trade Commission Act and the Truth in Lending Act; and

The respondent, its attorney, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that respondent has violated the said Acts, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, now in further conformity with the procedure prescribed in Section 2.34 of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

- 1. Great Expectations of Columbus, Inc. ("GE Columbus") is a corporation organized, existing, and doing business under and by virtue of the laws of the state of California, with its corporate office at 11835 West Olympic Boulevard, East Tower, Suite 490, Los Angeles, California, and its principal place of business located at 1103 Schrock Rd., Suite 101 Columbus, OH.
- 2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondent, and the proceeding is in the public interest.

### RESPONDENTS' COURSE OF BUSINESS

- PAR. 25. GECM is a video dating franchisor. It sells and services franchise operations throughout the United States. As part of its regular course of business, GECM has created and disseminated retail installment contracts (Exhibits 1 and 2) to the franchises described in paragraphs two through twenty-four. The GECM retail installment contracts purport to incorporate the disclosures required by the TILA.
- PAR. 26. Respondents Great Expectations are video dating franchises. Respondents have provided financing to their members using retail installment contracts such as Exhibits 1 and 2 to disclose the terms of the financing.
- PAR. 27. GECM's TILA disclosure (Exhibit 1) contains erroneous instructions for calculating and disclosing the finance charge and contains a pre-printed annual percentage rate ("APR") of 18%. In addition, Exhibit 1 fails to make the TILA disclosures in the format required by the TILA and fails to identify the creditor as required by the TILA.
- PAR. 28. In 1988, GECM learned from its auditor that the calculations and disclosures contained in Exhibit 1 did not comply with the TILA. Nevertheless, it continued to disseminate Exhibit 1

to its franchisees and failed to notify them of the erroneous calculations and disclosures.

PAR. 29. In late 1990, GECM created a new retail installment contract, which also purported to incorporate the disclosures required by the TILA and which contained a pre-printed APR of 19.6% (Exhibit 2). Exhibit 2 fails to identify the creditor as required by the TILA and fails to provide the information required by the TILA in the itemization of the amount financed. Furthermore, GECM has disseminated Exhibit 2 to its franchisees but has failed to inform them to discontinue using the erroneous calculation and disclosure instructions that it had previously supplied in Exhibit 1.

PAR. 30. Respondents Great Expectations are creditors as that term is defined in the TILA and Regulation Z.

PAR. 31. The acts and practices of respondents Great Expectations and GECM alleged in this complaint have been and are in or affecting commerce, as "commerce" is defined in Section 4 of the FTC Act.

- PAR. 34. In the course and practice of its business as described in paragraphs twenty-five through twenty-nine, and paragraph thirty-three, respondent GECM has provided respondents Great Expectations with the means and instrumentalities to violate the Section 5 of the FTC Act.
