**SUPPLEMENTARY INFORMATION:** The Equal Employment Opportunity Commission (EEOC) enforces Title VII of the Civil Rights Act of 1964 and Title I of the Americans with Disabilities Act, which prohibit discrimination on the basis of race, color, religion, sex, national origin or disability. Sections 709(c) of Title VII

and section 107(a) of the ADA authorize the EEOC to issue recordkeeping and reporting regulations that are deemed reasonable, necessary or appropriate. EEOC has promulgated recordkeeping regulations under those authorities that are contained in 29 CFR part 1602 *et seq.* Those regulations do not require the creation of any particular records but generally require employers to preserve any personnel and employment records they make or keep for a period of one year. The EEOC seeks extension of these regulations without change.

### Overview of This Information Collection

*Collection Title:* Recordkeeping under Title VII and the ADA.

*OMB-Number:* 3046-0040.

*Description of Affected Public:* Employers with 15 or more employees are subject to Title VII and the ADA.

*Number of Responses:* 627,000.

*Reporting Hours:* One.

*Number of Forms:* None.

*Federal Cost:* None.

*Abstract:* Section 709(c) of Title VII, 42 U.S.C. 2000e-8(c) and section 107(a) of the ADA, 42 U.S.C. 12117(a) require the Commission to establish regulations pursuant to which employers subject to those Acts shall make and preserve certain records to assist the EEOC in assuring compliance with the Acts' nondiscrimination in employment requirements. This is a recordkeeping requirement. Any of the records maintained which are subsequently disclosed to the EEOC during an investigation are protected from public disclosure by the confidentiality provisions of section 706(b) and 709(e) of Title VII which are also incorporated by reference into the ADA at section 107(a).

*Burden Statement:* The estimated number of respondents is approximately 627,000 employers. The recordkeeping requirement does not require reports or the creation of new documents; it merely requires retention of documents that the employer has made or kept. Thus, the burden imposed by these regulations is minimal. The burden is estimated to be less than one hour per employer.

Pursuant to section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, and OMB regulation 5 CFR 1320.8(d)(1), the Commission solicits public comment to enable it to:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility;

(2) Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Dated: June 4, 2003.

For the Commission.

## EQUAL EMPLOYMENT OPPORTUNITY COMMISSION

### Agency Information Collection Activities: Revision of the Employer Information Report (EEO-1) Comment Request

**AGENCY:** Equal Employment Opportunity Commission.

**ACTION:** Proposed revision of the Employer Information Report (EEO-1).

**SUMMARY:** In the late 1990's, the Office of Management and Budget (OMB) issued revisions of three standard Federal classifications related to the U.S. Equal Employment Opportunity Commission's Employer Information Report (EEO-1)—the North American Industry Classification System (1997), the Standards for the Classification of Federal Data on Race and Ethnicity (1997), and the Standard Occupational Classification (1999).

In response to the changes in the OMB classification standards, and under § 709(c) of Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 200e-8(c)), the U.S. Equal Employment Opportunity Commission (EEOC or Commission) is proposing modifications to the system currently used to classify the race and ethnicity and job categories used by respondents to file annual EEO-1 reports. This notice solicits public comment on the EEOC proposals. The proposed EEO-1 form can be found at <http://www.eeoc.gov/eeo1>.

**DATES:** Written comments on this notice must be submitted on or before August 11, 2003. A public hearing concerning these proposed changes will be held on

a date and at a time and place to be announced.

**ADDRESSES:** Comments should be submitted to Frances M. Hart, Executive Officer, Executive Secretariat, Equal Employment Opportunity Commission, 10th floor, 1801 L Street, NW., Washington, DC 20507. The Executive Secretariat will accept comments transmitted by facsimile ("FAX") machine. The telephone number of the FAX receiver is (202) 663-4114. (This is not a toll-free number.) Only comments of six or fewer pages will be accepted via FAX transmittal. This limitation is necessary to assure access to the equipment. Receipt of a FAX transmittal will not be acknowledged, except that the sender may request confirmation of receipt by calling the Executive Secretariat staff at (202) 663-4070 (voice) or (202) 663-4074 (TDD). (These are not toll-free telephone numbers.) Copies of comments submitted by the public will be available for review at the Commission's library, Room 6502, 1801 L Street, NW., Washington, DC 20507 between the hours of 9:30 a.m. and 5 p.m.

**FOR FURTHER INFORMATION CONTACT:** Joachim Neckere, Director, Program Research and Surveys Division, 1801 L Street, NW., Room 9222, Washington, DC 20507; (202) 663-4958 (voice) or (202) 663-7063 (TDD).

**SUPPLEMENTARY INFORMATION:** On October 30, 1997, OMB issued a **Federal Register** notice (Vol. 62, No. 210, Part II, pp. 58781-58790) titled "Revisions to

the Standards for the Classification of Federal Data on Race and Ethnicity." On September 30, 1999, OMB issued its Notice of final decision for the Standard Occupational Classification system in the **Federal Register** (Vol. 64, No. 189, Part IV, pp. 53135-53163). These proposed revisions to the EEO-1 respond to these changes in the Federal classification standards. EEOC seeks to avoid burden and disruption by proposing these changes simultaneously.

The Commission is soliciting public comment on its proposals to modify the EEO-1 form to use the revised race and ethnicity and job categories, as well as comments addressing the following points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Persons wishing to present their views orally should notify the Commission of their desire to do so, in writing, no later than [Insert 60 days from the date of publication] with a request to Francis Hart, Executive Officer, Equal Employment Opportunity Commission, 1801 L Street, NW., Washington, DC 20507. The request should include a written summary of the remarks to be offered.

The remainder of this **SUPPLEMENTARY INFORMATION** section provides the public with access to the information it will need to comment on the EEOC proposals. It is organized into three parts—an overview of the information collection, followed by discussions of the proposed changes for EEO-1 data on race and ethnicity and proposed changes for EEO-1 job category data.

**Overview of This Information Collection**

- Collection Title:* Employer Information Report (EEO-1).
- OMB Number:* OMB Number 3046-0007.
- Frequency of Report:* Annual.
- Type of Respondent:* Private industry employers with 100 or more employees and certain Federal Government contractors and first-tier subcontractors with 50 or more employees.
- Description of Affected Public:* Private industry employers with 100 or more employees and certain Federal Government contractors and first tier subcontractors with 50 or more employees.

	Current	Proposed
Reporting Hours .....	402,700 .....	644,320
Respondent Cost .....	\$6.0 million .....	\$9.7 million.

Number of Forms .....	1 .....	1

*Abstract:* Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e-8(c)), requires employers to make and keep records relevant to a determination of whether unlawful employment practices have been or are being committed and to make reports therefrom as required by the EEOC. Accordingly, the EEOC has issued regulations set forth in the Code of Federal Regulations, title 29, chapter XIV, subpart B, Section 1602.7. Employers in the private sector with 100 or more employees and some Federal contractors with 50 or more employees have been required to submit EEO-1 reports annually since 1966. The individual reports are confidential. EEO-1 data are used by EEOC to

investigate charges of employment discrimination against employers in private industry and to provide information about the employment status of minorities and women. The data are shared with the Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, and several other Federal agencies. Pursuant to section 709(d) of Title VII of the Civil Rights Act of 1964, as amended, EEO-1 data are also shared with eighty-six State and local Fair Employment Practices Agencies (FEPAs).  
*Burden Statement:* The estimated number of respondents included in the annual EEO-1 report survey is 45,000 private employers. The estimated number of establishment-based

responses per reporting company is between 3 and 4 EEO-1 reports annually. The annual number of responses is approximately 170,000. The proposed form is estimated to impose 644,320 burden hours annually. It is also estimated that the total one time implementation burden for the proposed revision for all reporters will be about 660,000 hours or about \$9.9 million. In order to help reduce survey burden, respondents are encouraged to report data electronically whenever possible.

**Proposed Changes for EEO-1 Data on Race and Ethnicity**

**Race and Ethnicity Reporting Instructions on the Proposed Revised EEO-1 Race and Ethnic Identification**

Self identification is the preferred method of identifying the race and ethnic information necessary for the EEO-1 report. Employers are strongly encouraged to rely on employee self-identification to obtain this information. It self-identification is not feasible, post-employment records or observer identification may be used to obtain this information. The following language is suggested for use by employers when collecting race and ethnicity information from employees.

**Suggested Employee Questionnaire on Race and Ethnicity**

Below are two questions, the first is about your ethnicity and the second about your race. You are to answer both questions. In answering the second question, you may select one or more races. The summarized information is reported to the Federal government for civil rights enforcement and monitoring purposes. For these purposes, if you mark “Yes, Hispanic or Latino”, your race will not be reported. The summarized information on race will be

reported in the following categories only:

1. White
2. Black or African American
3. Asian
4. Native Hawaiian or Other Pacific Islander
5. American Indian or Alaska Native
6. Two or More Races

If you select more than one race, you will be reported to the Two or More Races category. For example, if you select Black and American Indian or Alaska Native, you will be reported in the Two or More Races category.

*Question 1—Ethnicity*

Are our Hispanic or Latino?

No, not Hispanic or Latino

Yes, Hispanic or Latino: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

*Question 2—Race*

What is your race? Select one or more of the following five race categories.

White—A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Black or African American—A person having origins in any of the Black racial groups of Africa.

Asian—A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Native Hawaiian or Other Pacific Islander—A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

American Indian or Alaska Native—A person having origins in any of the original peoples of North and South American (including Central America), and who maintains tribal affiliation or community attachment.

**Proposed Changes for EEO-1 Job Category Data**

*Proposed EEO-1 Job Categories*

The Commission is also proposing to modify the current EEO-1 job categories by: using the detailed 2000 (SOC) job definitions; cross-classifying them against the 2000 Census Occupational classification codes; aggregating them according to a skill-based schema; and

also subdividing the current Officials and Managers category into three distinct hierarchical sub-categories. The proposed EEO-1 job categories would continue to be skill-based rather than industry-based. Consequently, the proposed EEO-1 job categories differ from the 2000 SOC intermediate level aggregation categories and are not comparable. Please see <http://www.eeoc.gov/stats/census/crosswalk.html> for a detailed crosswalk to the proposed EEO-1 job categories.

The Commission is also proposing to include most business and financial operations occupations in the Officials and Managers category and to split that category into three levels of responsibility, allowing for more detailed assessment of the utilization of minorities and women in these activities. This split would increase the current number of job categories by two. Table 2 compares the current and the proposed EEO-1 job categories:

TABLE 2.—CURRENT AND PROPOSED EEO-1 JOB CATEGORIES

Current EEO-1	Proposed EEO-1
1. Officials and Managers.	1.1 Executive/Senior Level Officials and Managers. 1.2 Mid-Level Officials and Managers. 1.3 Lower-Level Officials and Managers.
2. Professionals .....	2. Professionals.
3. Technicians .....	3. Technicians.
4. Sales Workers .....	4. Sales Workers.
5. Office and Clerical	5. Administrative Support Workers. 6. Service Workers. 7. Craft Workers.

7. Operatives (Semi-skilled).	8. Operatives.
8. Laborers (Unskilled).	9. Laborers and Helpers.
9. Service Workers.	

**Description of Proposed EEO-1 Job Categories**

The proposed EEO-1 job categories are listed below, including a brief description of the skills and training required for occupations in that category, examples of the jobs that fit each category and the ranges of 2000 Census Occupation codes included in the category. Please see <http://www.eeoc.gov/stats/census/crosswalk.html> for a detailed crosswalk. These job categories are primarily based on average skill levels, knowledge, and responsibility involved in each occupation within the job category.

They are not industry based and thus are not directly comparable to the 2000 SOC intermediate aggregation levels. The examples presented below are illustrative and not intended to be exhaustive of all job titles in a job category.
