SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48672; File No. SR-CBOE-2003-07]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change and Amendment No. 1 by the Chicago Board Options Exchange, Inc., Relating to the Trading of Ratio Orders

October 21, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 24, 2003, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. The CBOE filed Amendment No. 1 to the proposal on October 8, 2003.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to amend CBOE Rules 6.45, "Priority of Bids and Offers," and 6.53, "Certain Types of Orders Defined," to allow ratio orders to be executed through the CBOE. The text of the proposed rule change appears below. Additions are italicized; deletions are bracketed.

Priority of Bids and Offers

Rule 6.45 Except as provided by Rules, including but not limited to Rule 6.2A, 6.8, 6.9, Rule 6.47, Rule 8.87, and CBOE Regulatory Circulars approved by the SEC concerning Participation Rights,

the following rules of priority shall be observed with respect to bids and offers:

(a)-(d) No Change.

(e) Complex Order Priority Exception: A member holding a spread, straddle, [or] combination, or ratio order (or a stock option order as defined in Rule 1.1(ii)(b)) and bidding (offering) on a net debit or credit basis (in a multiple of the minimum increment) may execute the order with another member without giving priority to equivalent bids (offers) in the trading crowd or in the book provided at least one leg of the order betters the corresponding bid (offer) in the book. Stock-option orders, as defined in Rule 1.1(ii)(a), have priority over bids (offers) of the trading crowd but not over bids (offers) of public customers in the limit order book.

Certain Types of Orders Defined

* * * * *

Rule 6.53(a)-(m) No change.

(n) *Ratio Order.* A Ratio Order is a spread, straddle, or combination order in which the stated number of option contracts to buy (sell) is not equal to the stated number of option contracts to sell (buy), provided that the number of contracts differ by a permissible ratio. For purposes of this section, a permissible ratio is any ratio that is equal to or greater than one-to-three (.333) and less than or equal to three-to-one (3.0). For example, a one-to-two (.5) ratio, a two-to-three (.667) ratio, or a two-to-one (2.0) ratio is permissible, whereas a one-to-four (.25) ratio or a four-to-one (4.0) ratio is not.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CBOE Rule 6.53 lists and defines the several types of orders that are executed

through the CBOE.⁴ Of the several types of orders defined in CBOE Rule 6.53, three are complex orders: spread orders, combination orders, and straddle orders.⁵ The CBOE proposes to add another type of complex order, ratio orders, to the list of orders included in CBOE Rule 6.53. A ratio order is either a spread, straddle, or combination order in which the stated number of option contracts to buy (sell) is not equal to the stated number of option contracts to sell (buy), provided that the number of contracts differs by a permissible ratio. Under the CBOE's proposal, a permissible ratio is any ratio that is equal to or greater than one to three (.333) or less than or equal to three to one (3.0). For example, a one to two (.5) ratio, a two to three (.667) ratio, or a two to one (2.0) ratio is permissible, whereas a one to four (.25) ratio or a four to one (4.0) ratio is not.

The CBOE believes that ratio orders are merely slight variations on the types of complex orders currently permitted on the CBOE. For this reason, the CBOE believes that it is appropriate to treat ratio orders in a manner similar to the existing complex orders that currently trade on the CBOE. Accordingly, the CBOE proposes to afford ratio orders within the permissible ratio the exception to the priority rules under CBOE Rule 6.45(e).

Specifically, CBOE Rule 6.45(e) provides for exceptions to the Exchange's priority rules when a member is holding a spread order, straddle order, or a combination order. Under CBOE Rule 6.45(e), a member holding a spread, straddle, or combination order and bidding (offering) on a net debit or credit basis (in a multiple of the minimum increment) may execute the order with another member without giving priority to equivalent bids (offers) in the trading crowd or in the book, provided that at least one leg of the order betters the corresponding bid (offer) in the book. Under the CBOE's proposal, ratio orders that are equal to or greater than one to three (.333) or less than or equal to three to one (3.0) will be given the same exception under CBOE Rule 6.45(e) as spread, straddle, and combination orders.

Because the proposal seeks consistent priority treatment for similar types of orders traded on the CBOE, the CBOE believes that the proposal furthers the objectives of section 6(b)(5) of the Act⁶

⁴ These orders include, for example, market orders, contingency orders, and straddle orders.

⁵ These types of orders are defined in paragraphs (d), (e), and (f), respectively, of CBOE Rule 6.53.

³ See letter from James M. Flynn, Attorney II, Legal Division, CBOE, to Yvonne Fraticelli, Division of Market Regulation, Commission, dated October 6, 2003 ("Amendment No. 1"). Amendment No. 1 revises the proposal to provide that the permissible ratio for a ratio order is any ratio that is equal to or greater than one to three (.333) and less than or equal to three to one (3.0).

to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the CBOE. All submissions should refer to file number

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Chicago Stock Exchange, Incorporated To Amend Certain Provisions of Its Rules Relating to the Governance of Issuers That List Securities on the Exchange

October 21, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 23, 2003, the Chicago Stock Exchange, Incorporated ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend certain provisions of its rules relating to the governance of issuers that list securities on the CHX. Specifically, the CHX seeks to amend its Tier I and Tier II listing standards to enhance its requirements relating to the roles and responsibilities of independent directors and independent board committees, including audit committees, nominating committees and compensation committees. The Exchange also seeks to amend its maintenance standards to set out a process that would allow an issuer an opportunity to cure a failure to meet the Exchange's maintenance listing standards, including its governance-related standards. The text of the proposed rule change is below.³ Text in

Maintenance Standards Applicable to All Tier I Issues

RULE 17A. The Exchange reserves the right to delist the securities of any corporation, subject to Securities and Exchange Commission Rules, which engages in practices not in the public interest or whose assets have been depleted to the extent that the company can no longer operate as a going concern or whose securities have become so closely held that it is no longer feasible to maintain a reasonable market in the issue. Furthermore, the Exchange reserves the right to delist the securities of any corporation which has drastically changed its corporate structure and/or its type of operation. The Exchange may also make an appraisal of, and determine on an individual basis, the suitability for continued listing of an issue in the light of all pertinent facts whenever it deems such action appropriate, even though a security meets enumerated criteria (including, but not limited to, continued listing on the NYSE, Amex or Nasdaq National Market). Many factors may be considered in this connection, including, but not limited to, abnormally low selling price or volume of trading, or failure to comply with required corporate governance standards.

* * * *Interpretations and Policies*

If the Exchange identifies a Tier I issue as being below the Exchange's maintenance listing requirements, the Exchange will notify the issuer by letter of its determination and the reasons for that determination. In this letter, the Exchange will provide the issuer with an opportunity to provide the Exchange with a plan (the "Plan") to cure the deficiency. Within 10 business days of the receipt of the Exchange's letter, the issuer must contact the Exchange to confirm its receipt of the letter and to report to the Exchange whether or not the issuer intends to present a Plan. If the issuer notifies the Exchange that it does not intend to present a Plan, the

committed to correct by filing an amendment. Telephone conversation between Kathleen M. Boege, Vice-President and Associate General Counsel, CHX, and Ira L. Brandriss, Special Counsel, Division of Market Regulation ("Division"), Commission, on October 10, 2003.
