SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, 450 Fifth Street, NW., Washington, DC 20549.

Extension:

Rules 8b-1 to 8b-32; SEC File No. 270-135; OMB Control No. 3235-0176.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget for extension and approval.

Rules Under Section 8(b) of the Investment Company Act of 1940

Rules 8b-1 to 8b-32 (17 CFR 270.8b-1 to 8b-32) under the Investment Company Act of 1940 (15 U.S.C. 80a) (the "Act") are the procedural rules an investment company must follow when preparing and filing a registration statement. These rules were adopted to standardize the mechanics of registration under the Act and to provide more specific guidance for persons registering under the Act than

the information contained in the statute. For the most part, these procedural rules do not require the disclosure of information. Two of the rules, however, require limited disclosure of information.¹ The information required by the rules is necessary to ensure that investors have clear and complete information upon which to base an investment decision. The Commission uses the information that investment companies provide on registration statements in its regulatory, disclosure review, inspection and policy-making roles. The respondents to the collection of information are investment companies filing registration statements under the Act.

The Commission does not estimate separately the total annual reporting and recordkeeping burden associated with rules 8b-1 to 8b-32 because the burden associated with these rules are included in the burden estimates the Commission submits for the investment company registration statement forms (e.g., Form N-1A, Form N-2, Form N-3, and Form N-4). For example, a mutual fund that prepares a registration statement on Form N-1A must comply with the rules under section 8(b), including rules on riders, amendments, the form of the registration statement, and the number of copies to be submitted. Because the fund only incurs a burden from the section 8(b) rules when preparing a registration statement, it would be impractical to measure the compliance burden of these rules separately. The Commission believes that including the burden of the section 8(b) rules with the burden estimates for the investment company registration statement forms provides a more accurate and complete estimate of the total burdens associated with the registration process.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection

¹ Rule 8b-3 (17 CFR 270.8b-3) provides that whenever a registration form requires the title of securities to be stated, the registrant must indicate the type and general character of the securities to be issued. Rule 8b-22 (17 CFR 270.8b-22) provides that if the existence of control is open to reasonable doubt, the registrant may disclaim the existence of control, but it must state the material facts pertinent to the possible existence of control.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: December 9, 2003.

Margaret H. McFarland,

Deputy Secretary.

Applicant's Representations:

1. From 1986 through 1996, applicant's predecessor operated as a diversified series of shares of Bull & Bear Funds II, Inc., an open-end management investment company organized in 1974 under the laws of the State of Maryland and registered under the Act. Applicant was incorporated under the laws of the State of Maryland as Bull & Bear U.S. Government Securities Fund, Inc. on August 30, 1996. On September 27, 1996, applicant registered under the Act as a closed-end management investment company. Applicant changed its name to Bexil Corporation on August 26, 1999. On November 28, 2000, applicant's stockholders approved a proposal to change the nature of applicant's business so as to cease to be an investment company and become an operating company. On June 13, 2001, applicant's board of directors (the "Board") terminated its management contract with an outside investment adviser effective July 31, 2001, and authorized applicant's officers to manage applicant's business affairs.

2. On January 18, 2002, applicant acquired 50% of the outstanding voting stock of York Insurance Services Group, Inc. ("York"), a newly formed Delaware corporation. On that same date, York purchased all of the outstanding stock of certain subsidiaries of AIG Insurance Services, Inc. ("AIGIS"), a Delaware corporation. These subsidiaries have served as independent adjustment companies and third party administrators providing claims, data, and risk related services to insurers, insureds, and intermediaries located throughout the United States. Applicant states that York is not an investment company as defined in section 3(a) of the Act.

3. Mr. Thomas MacArthur ("MacArthur"), York's chairman and chief executive officer, owns the remaining 50% of York's outstanding stock. Pursuant to a stockholder's agreement among MacArthur, York and the applicant, York's board of directors consists of five members; each of

MacArthur and the applicant has the right to nominate two members and AIGIS has the right to nominate one member.¹ Through a voting agreement among York, MacArthur and the applicant ("Voting Agreement"), applicant states that it has control over 50% of York's board of directors.² Two members of applicant's Board currently serve as members of York's board of directors. Applicant's president currently serves as York's vice-chairman. Applicant states that it substantially contributes to the management of York's lines of business expansion or contraction, executive compensation and human resources, internal audit, accounting and auditing, budgeting and capital expenditures, legal capitalization structure and related uses of debt and equity financing and mergers and acquisition activity. Applicant also states that it sets the compensation of all York officers, other than MacArthur, through its control over the compensation committee of York's board of directors. At June 30, 2003, applicant's interest in York represented approximately 98% of applicant's total assets on an unconsolidated basis (exclusive of Government securities and cash items).

Applicant's Legal Analysis:

1. Section 8(f) of the Act provides that whenever the Commission, upon application or its own motion, finds that a registered investment company has ceased to be an investment company, the Commission shall so declare by order and upon the taking effect of such order, the registration of such company shall cease to be in effect.

2. Section 3(a)(1)(A) of the Act defines an investment company as any issuer which "is or holds itself out as being engaged primarily, or proposes to engage primarily, in the business of investing, reinvesting, or trading in securities." Section 3(a)(1)(C) of the Act defines an investment company as any issuer which "is engaged or proposes to engage in the business of investing, reinvesting, owning, holding, or trading in securities, and owns or proposes to acquire investment securities having a value exceeding 40 per centum of the

¹ York's bylaws provide that directors shall be nominated by a plurality of votes, except that any election of the individual nominated by AIGIS shall require a unanimous vote. All of AIGIS' rights with respect to directorships of York terminate at such time as the principal amount of a subordinated note dated January 18, 2002, of York payable to AIGIS shall be paid in full.

² The Voting Agreement requires that MacArthur vote his shares in favor of the AIGIS nominee, and that MacArthur will not vote for any individual to fill the vacancy left by an AIGIS nominee. The Voting Agreement contains no similar provision regarding the applicant's voting shares in York.
