August 29, 2003.

Take notice that on August 27, 2003, OkTex Pipeline Company (OkTex) tendered for filing Tariff Sheets Nos. 5A and 5B to revise the Annual Charge Adjustment (ACA).

OkTex states that the purpose of the filing is to reflect the correct ACA surcharge of \$0.0021 to OkTex's tariff rates for the period October 1, 2003 through September 30, 2004. This filing corrects the ACA rates inadvertently displayed on Tariff sheets 5A and 5B from \$.0022 to \$0.0021.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. Third Revised Sheet No. 101A
Second Revised Sheet No. 101B
Fifth Revised Sheet No. 116
Sixth Revised Sheet No. 117

Southern states that the tariff sheets filed by Southern set forth the terms and conditions under which Southern proposes to replace its first-come, first-served method of awarding primary firm receipt point capacity with a net present value (NPV) method. Southern states that it will be more equitable to award all available capacity under the same method. In addition, Southern is shortening the time period for an open season for requests for receipt point or delivery point amendments to be a minimum of 3 business days. Southern's existing open season time tables shall apply to open seasons for generally available capacity or requests for available capacity. Southern also clarifies that for purposes of determining whether a bid has met
