

disciplinary action against any person violating proposed OneChicago Rule 616 or the member's internal compliance and audit procedures adopted pursuant to proposed OneChicago Rule 616; the procedures established to ensure that information with respect to clearing activities will not be used to compromise the entity's Chinese Wall; and an acknowledgement that any trading by a person while in possession of material non-public information received as a result of the breach of the internal controls required under proposed OneChicago Rule 616 may be a violation of the Act, the rules and regulations thereunder, the CEA, the CFTC Regulations, or the Rules of the Exchange.

Under paragraph (f) of proposed OneChicago Rule 616, an OneChicago market maker would not be in violation of OneChicago Rules 604, if the Exchange market maker functions as a non-market maker Exchange member exclusively in contracts in which such member is not appointed as a market maker pursuant to OneChicago Rule 515(n) and such member enters orders only for its proprietary account or the accounts of its affiliated entities.

2. Statutory Basis

OneChicago believes that the proposed rule change is consistent with section 6(b)(5) of the Act⁶ because it promotes just and equitable principles of trade and is designed to prevent fraudulent and manipulative practices.

B. Self-Regulatory Organization's Statement on Burden on Competition

OneChicago believes that the proposed new rule will promote competition by offering a safe harbor for market makers executing inadvertent cross trades on the Exchange and thereby removing a significant deterrent to potential market makers for the Exchange's products.

C. Self-Regulatory Organization's Statement of Comments on the Proposed Rule Change Received From Members, Participants, or Others

Comments on the proposed rule change have not been solicited and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective on December 8, 2003. Within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the

CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of section 19(b)(1) of the Act.⁷

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change conflicts with the Act. Persons making written submissions should file nine copies of the submission with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments also may be submitted electronically to the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-NASD-2003-174. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, comments should be sent in hard copy or by e-mail but not by both methods. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of these filings also will be available for inspection and copying at the principal office of OneChicago.
