BILLING CODE 3190-01-P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. WTO/DS-294]

WTO Dispute Settlement Proceeding Regarding Offsets to Calculated Dumping Margins for Instances of Non-Dumping

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative ("USTR") is providing notice that on June 12, 2003, the United States received from the European Communities ("EC") a request for consultations under the Marrakesh Agreement Establishing the World Trade Organization ("WTO Agreement") regarding offsets to calculated dumping margins for instances of non-dumping. The EC asserts that various U.S. statutes, regulations, methodologies and determinations are inconsistent with Articles 1, 2.4, 5.8, 9.3, 9.5, 11, 18.3 and 18.4 of the Agreement on Implementation of Article VI of the General Agreements on Tariffs and Trade 1994 ("AD Agreement"), Articles VI:1 and VI:2 of the General Agreement on Tariffs and Trade 1994 ("GATT 1994"), and Article XVI:4 of the WTO Agreement. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before August 28, 2003, to be assured of timely consideration by USTR.

ADDRESSES: Comments should be submitted (i) electronically, to FR0080@ustr.gov, with "Dumping Margin Offset" in the subject line, or (ii) by fax to Sandy McKinzy at (202) 395-3640, with a confirmation copy sent electronically to the address above, in accordance with the requirements for submission set out below.

FOR FURTHER INFORMATION CONTACT: William D. Hunter, Associate General Counsel, Office of the United States Trade Representative, (202) 395-3582.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act ("URAA") (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Consistent with this obligation, but in an effort to provide additional opportunity for comment, USTR is providing notice that consultations have been requested pursuant to the WTO Dispute Settlement Understanding ("DSU"). If such consultations should fail to resolve the matter and a dispute settlement panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within six to nine months after it is established.

Major Issues Raised by the EC

With respect to the measures at issue, the EC's request for consultations refers to the following:

- In reviews, the comparison of export prices and normal values on a weighted average to transaction basis and without any offset for instances of non-dumping in circumstances other than those specified in Article 2.4.2. of the AD Agreement;

- The impact of not offsetting calculated dumping margins with instances of non-dumping in the determination of “dumped imports” in the injury investigation;

- The determination of dumping margins above the *de minimis* level as a result of the absence of an offset to calculated dumping margins for instances of nondumping, and the consequent imposition, continuation or collection of an antidumping duty; and

- With respect to the investigations and administrative reviews identified above, the level of the dumping margins determined in the absence of an offset to calculated dumping margins for instances of non-dumping.
