BILLING CODE 6210-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration on Aging

Agency Information Collection Activities; Submission for OMB Review; Comment Request; State Program Report for Title III of the Older Americans Act

AGENCY: Administration on Aging, HHS.
ACTION: Notice.

SUMMARY: The Administration on Aging (AoA) is announcing that the proposed collection of information listed below has been submitted to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995.

DATES: Submit written comments on the collection of information by December 4, 2003.

ADDRESSES: Submit written comments on the collection of information to the Office of Information and Regulatory Affairs, OMB, New Executive Office Bldg., 725 17th St., NW., rm. 10235, Washington, DC 20503, Attn: Brenda Aguilar, Desk Officer for AoA.

FOR FURTHER INFORMATION CONTACT: Saadia Greenberg, Office of Evaluation, Administration on Aging, Room 5607, Washington, DC 20201, (202) 357-3554.

SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, AoA has submitted the following proposed collection of information to OMB for review and clearance.

State Program Reports provide state totals of the number of persons served for each type of service under the Older Americans Act Title III and Title VII programs as well as the number units of services provided and some characteristics of the clients. Information is also reported on expenditures for each type of service,

staffing levels of state and area agencies on aging.

The information collection is an annual requirement for the 56 respondents. These respondents include the State and Territorial Units on Aging comprised of the 50 States, the District of Columbia, the U.S. Virgin Islands, Puerto Rico, and the U.S. territories. The AoA estimates that a state of average size and complexity will need to commit 2,228 hours to prepare a full report.

In the **Federal Register** of June 2, 2003 (Vol. 68, No. 105), the agency requested comments on the proposed revised collection of information. The comments received were analyzed and have been incorporated wherever possible into this submission. As a result, we have reduced the reporting burden considerably. We are now seeking approval for this revision of the State Program Reports.

Dated: October 30, 2003.

Josefina G. Carbonell,

Assistant Secretary for Aging.

BILLING CODE 4154-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-72, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 58 FR 53381-53383, dated September 10, 2003) is amended to reflect the transfer of the Division of AIDS, STD, and TB Laboratory Research from the National Center for Infectious Diseases to the National Center for HIV, STD, and TB Prevention, excluding the Hematologic Diseases Branch. The Hematologic Diseases Branch will be transferred to the National Center on Birth Defects and Developmental Disabilities and will be established as the Division of Hereditary Blood Disorders.

Section C-B, Organization and Functions, is hereby amended as follows:

Delete in its entirety the mission statement for the *National Center on Birth Defects and Developmental*

Disabilities (CF) and insert the following:

The mission of the National Center on Birth Defects and Developmental Disabilities (NCBDDD) is to improve the health of children and adults by preventing birth defects and developmental disabilities, and complications of heredity blood disorders; promoting optimal child development, and the health and wellness among children and adults living with disabilities. In carrying out this mission, this organization: (1) Conducts public health research, epidemiological investigations, and program demonstrations directed toward preventing birth defects and developmental disabilities, and complications of hereditary blood disorders, optimal fetal, infant, and child development, and promoting the health and wellness of people with disabilities, including the prevention of secondary conditions; (2) plans, develops, establishes, and maintains systems of surveillance and monitoring the population of these conditions; (3) operates regional centers for the conduct of applied epidemiological research on these conditions; (4) provides information and education to health care providers, public health professionals, and the public on these conditions; (5) provides technical assistance, consultation capacity building through technology transfer, grants, cooperative agreements, contracts, and other means to State, local, international, and nonprofit organizations to prevent and control these conditions; (6) provides training in the epidemiology of these conditions for health professionals within and outside the United States; (7) translates scientific findings into intervention, prevention, and health promotion strategies; (8) conducts evaluation of programs to determine effectiveness; (9) coordinates activities with other CDC organizations and Federal and non-Federal health agencies, as appropriate.

Delete in its entirety the functional statement for the *Office of the Director (CF1)* and insert the following:

(1) Directs, manages, and coordinates the activities of the National Center on Birth Defects and Developmental Disabilities (NCBDDD); (2) develops goals and objectives, provides leadership, policy formulation, scientific oversight, and guidance in program planning and development; (3) coordinates NCBDDD program activities with other CDC components, Federal agencies, international organizations, State and local health agencies, business and industry, voluntary organizations, and community-based organizations; (4)
