

trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission finds that the proposed rule change, as amended, is also consistent with Section 6(b)(6) of the Act,<sup>9</sup> which requires that members and persons associated with members be appropriately disciplined for violations of Exchange rules.<sup>10</sup>

The Commission believes that the housekeeping changes proposed by the Exchange to PCX Rule 6 ("Options Trading—Rules Principally Applicable to Trading of Options Contracts") and to other PCX rules should help to correct, clarify, and ensure consistency in and among the PCX's current rules and in the terminology used in those rules. The Commission notes that many of these housekeeping changes are the result of the incorporation of new or amended rules pursuant to the Commission's approval of PCX Plus.<sup>11</sup>

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>12</sup> that the proposed rule change (File No. SR-PCX-2003-31), as amended, is hereby approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>13</sup>

## SMALL BUSINESS ADMINISTRATION

### Development Company Program Job Opportunity Requirement

Title V of the Small Business Investment Act, section 501, defines the purpose of the Development Company Loan Program (504 Program) as fostering economic development and creating and preserving job opportunities in both urban and rural areas by providing long-term financing for small business concerns through the development company program. 504 loans are principally used by small businesses to build or to purchase long-term fixed assets (mostly acquiring land and constructing or renovating commercial buildings) to assist in the growth of the business. The 504 Program is required to create a certain minimum number of jobs as a result of 504 loans. A 504 loan is required to either create or retain a minimum number of jobs within two

years of the disbursement of the loan as a result of the project, or to meet other defined economic development objectives (13 CFR 120.861-120.862). In the final rule published on October 7, 2003, effective November 6, 2003, 13 CFR 120.861 states that "A Project must create or retain one Job Opportunity per an amount of 504 loan funding that will be specified by SBA from time to time in a **Federal Register** notice. Such Job Opportunity average remains in effect until changed by subsequent **Federal Register** publication." The current standard which was established in 1990 requires a 504 project to create or retain one Job Opportunity for every \$35,000 guaranteed by SBA. During the past twelve years since the Job Opportunity requirement was last modified, the cost of acquiring real estate has increased substantially. For example, construction wages have increased more than 65 percent and the consumer price index has increased 50 percent during the same period. Due to the substantial increases in costs, SBA is modifying the Job Opportunity requirements by approximately 43 percent effective November 6, 2003, as follows:

A Project must create or retain one Job Opportunity for every \$50,000 guaranteed by SBA.

Such Job Opportunity average remains in effect until changed by subsequent **Federal Register** publication." The current standard which was established in 1990 requires a CDC's portfolio to reflect an average of one Job Opportunity per \$35,000 of 504 loan funding. The AA/FA may permit a CDC to average up to one per \$45,000 for good cause in Alaska; Hawaii; State-designated urban or rural jobs and enterprise zones; Empowerment Zones and Enterprise Communities; and Labor Surplus Areas. During the past twelve years since the Job Opportunity requirement was last modified, the cost of acquiring real estate has increased substantially. For example, construction wages have increased more than 65 percent and the consumer price index has increased 50 percent during the same period. - (1) Alaska;
- (2) Hawaii;
- (3) State-designated urban or rural jobs and enterprise zones;
- (4) Empowerment Zones and Enterprise Communities; and
- (5) Labor Surplus Areas as listed by the Department of Labor.

## SOCIAL SECURITY ADMINISTRATION

### **New Agreement To Replace the Agreement Between the United States and Norway on Social Security; Entry Into Force**

**AGENCY:** Social Security Administration.

**ACTION:** Notice.

**SUMMARY:** The Commissioner of Social Security gives notice that on September 1, 2003, a new agreement entered into force that replaces the original U.S.-

Norwegian Social Security agreement that has been in effect since July 1, 1984. The new agreement, which was signed on November 30, 2001, was concluded pursuant to section 233 of the Social Security Act.

The new agreement updates and clarifies several provisions in the original U.S.-Norwegian Social Security agreement. Its primary purpose, however, is to permit U.S. citizens who have lived in Norway to receive full credit for their periods of residence under Norway's Social Security system and to increase thereby the amount of their Norwegian benefits. The new agreement also improves disability and survivors benefit protection under the Norwegian system for people who have worked in both countries.

Individuals who wish to obtain copies of the new agreement or want general information about its provisions may write to the Social Security Administration, Office of International Programs, Post Office Box 17741, Baltimore, Maryland 21235-7741. The Social Security Web site at <http://www.socialsecurity.gov/international> also includes the text of the new agreement. Anyone who wants information about the Norwegian Social Security programs may write to the National Insurance Administration, International Affairs Division, N-0241 Oslo, Norway.

Dated: October 29, 2003.
