

Micro Report Series Description

Series Mnemonic	FBOQ
Series Name	Processing Procedures for the Capital and Asset Report for Foreign Banking Organizations (FBO) (FR Y-7Q)
Starting and Ending Date	December 31, 2002 Continuing
Frequency	Quarterly or annual figures as of close of business the last calendar day of the quarter or the FBO's fiscal quarter.

Reporting Panel

The reporting panel for quarterly FR Y-7Q files consists of FBOs that have effectively elected to become financial holding companies (FHCs). All other FBOs (those that have not elected to become FHCs) would file the FR Y-7Q annually.

Major Changes to Reporting Panel

None

Data Mode

Quarterly or annually.
Thousands of dollars.

Data Availability

Approximately 4 months after the quarterly or annual as-of-dates.

Major Series Changes

None

Confidentiality

With some exceptions, individual respondent data are available to the public upon request unless the bank holding company submitting the data has either been granted confidential treatment or has requested confidential treatment and the confidentiality status is pending.
