

David Runkle

David Runkle, Director of Quantitative Research for Trilogy Global Advisors, LLC, has 20 years of investment and related experience. He joined Trilogy in 2007 from Piper Jaffray, where he was an Investment Research Manager. Mr. Runkle has been an award-winning professor in finance, accounting and economics at Brown University and the University of Minnesota, and has served as a Research Officer at the Federal Reserve Bank of Minneapolis. In addition to holding a PhD in economics from the Massachusetts Institute of Technology, Mr. Runkle has earned CPA and CFA credentials and has served on the CFA Institute's Curriculum Committee and Corporate Disclosure Policy Committee. He currently serves on the Financial Accounting Standards Advisory Council, which provides advice to the Financial Accounting Standards Board (FASB).
