Secretary, Securities Exchange Commission

Subject: Request for Rulemaking Regarding Member Records of "Short"  
Positions and Reporting and Public Dissemination

---

Dear Mr. Katz,

I am writing you as a very concerned CEO of Stafford Energy, Inc., a Nevada based Pink Sheets trading company with offices in both the USA and Canada. This is in support of the current initiative by the company Pink Sheets LLC in reference to SEC File No. 4 – 500 Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination of Aggregate Positions by Security.

I support this initiative and would certainly like to see its implementation in the very near future. Without this change, for all of the securities on the Pink Sheets listings, all companies, shareholders and securities regulators will be blind to any short selling activity in any of the stocks.

Thank you for your attention to this matter. Should you have any questions or would like to discuss this further, I can be contacted at 604 943 4671.

Sincerely,

**STAFFORD ENERGY, INC.**
