"Short" Positions and Reporting and Public Dissemination of Aggregate
Positions by Security**

Dear Mr. Katz,

Strategic Technologies Inc. is a Pink Sheet OTCBB Company trading under the stock symbol of STGKF.

I am writing to you in support of Pink Sheets Market request to validate a short sale position and reporting and disclosure for Pink Sheet OTCBB issues. I feel this initiative for a Rule change is needed in the Pink Sheet OTCBB market today. I believe small issuers traded on the Pink Sheets and the OTCBB deserve the same transparency and regulatory oversight of short selling as those listed on Exchanges or on NASDAQ. This new policy is urgently needed to prevent fraudulent acts, expose market manipulation, promote fair principles of trade and most importantly protect investors.

We support this rule change and trust it will become effective as quickly as possible.

Yours sincerely,
Strategic Technologies Inc.
