Made in the USA!! YES, YES, YES, YES!!!!
That is what I think.
Our manufacturing has gone down the drain.
We do not have jobs here in the U.S. The
jobs are in Asia & elsewhere. Who is going
to support social security, Medicare. The U.S.A
is supporting the world. I demand that
American manufacturers employ Americans to
sew clothing, make gadgets, appliances, etc.
here in my country! I am weary of reading
of layoff, unemployment, welfare - Come on,
get real!! We need ~~for~~ jobs here!!! Further,
we have helped & helped to show others how to
produce. - Now - Penalize our Mfg's for penalizing
WE TAX PAYING - PENNYLESS CITIZENS!!
