

Discover other cultures, and earn credit doing it ...!

Today, global events effect all our lives. COBA's Study Abroad Programs offer you a unique opportunity to prepare yourself to live in a global community and earn academic credit for study in another country – at UNT tuition costs!

Spend an exciting summer in Europe with a group of like-minded UNT students. Take advantage of the opportunity to immerse yourself in the culture, heritage and business environments of four countries through this program.

Because you're allowed to use the financial aid and scholarships you normally would receive at UNT for your study abroad, these programs are often no more expensive than regular UNT courses.

Remember, you do not have to speak a foreign language to enroll in our study abroad program!

Visit Europe!

Explore the people, culture and scenic beauty of Spain, Portugal, and the French Riviera

Learn how business is conducted in Europe!

Be better prepared for a dynamic career in Business!

IMPORTANT DATES:
