| Supervisor | Title | E-Mail | |

- With assistance from the work supervisor, the student will formulate three to five job-related learning objectives.
- The objectives must be specific, measurable and attainable.
- The objectives must also be approved by the work supervisor and submitted to the Co-op office.
- Learning objectives are evaluated at the beginning of each semester and should be reflected in the final report.

SAMPLE LEARNING OBJECTIVES:

- *Assist with production of company safety manual.*
- *Create Access database to track hardware currently being used in department.*
- *Develop marketing brochure to target new clients.*

My Learning Objectives

1 _____

2 _____

3 _____

4 _____

5 _____

The **employer** agrees to provide: a) supervised work which complements the student's educational and career goals, b) an evaluation of the student's progress each semester, and c) an opportunity for a site visit by UNT. The employer has approved these learning objectives for this semester.
