## **New Hire Essentials:**

### **Employee Biographical Data (EBD) Form:**

The EBD/HRM-1A form collects biographical information on new employees and updates incorrect or incomplete information on current employees. For questions about your biographical information contact HR Records at 565-4249. NOTE: Some change functions for biographical records are also available through Employee Self Service using MyUNT and your Employee ID (EmplID) and EUID (computer access identification.) Contact your supervisor for assistance in securing these important identification numbers.

### **Employment Eligibility Verification (I-9) Form:**

The I-9 form is required by federal law and must be completed within three days of employment attesting to your citizenship status and employment eligibility. The I-9 form will be completed in your employing department and the original I-9 document with copies of the documentation will be forwarded to the Human Resources Department. Any questions regarding I-9's should be directed to HR Records at 565-4249.

### **Federal Income Tax Withholding (W-4) Form:**

Under federal law you are subject to federal income tax withholding from your pay. You must complete a W-4 Form, which must be on file in the Payroll Office, before you can receive your first paycheck. If a W-4 is not completed, an employee's status will default to Single & zero exemptions. For questions regarding your withholding status, call the Payroll Office at 565-2440. NOTE: Employees who are NOT Texas residents must notify the Payroll Office prior to receipt of their first paycheck to ensure that any state income tax withholding or other employment requirements are met.

### **ID Card:**

Your UNT ID is the Mean Green card and is free of charge for faculty/staff. The card is the property of UNT. In some departments your UNT ID also serves as your ID badge, your time clock access card, or building/secure area access card. You can use your card on campus to use the library, attend athletic events, cash a check and more. If you have an account with Wells Fargo you can also use it as a debit (PIN protected) card. Contact ID Systems @ 565-4481 for additional information.

### **Selective Service Registration:**

The University is required by State law to verify that new employees who meet the criteria for Selective Service have registered. Almost all male U.S. citizens and

male aliens living in the U.S. who are 18 through 25 must register. Non-citizens NOT required to register include men on student or visitor visas. Legal permanent residents ARE required to register. Eligible individuals may register online at [www.sss.gov](http://www.sss.gov), at any Post Office, by mail, or during the student application process for Federal Financial Aid (FAFSA form). Failure to register as required by law will be grounds for removal from University employment. For more information contact HR Records at 565-4249.

### **Transcripts and Employer References (UNT Staff Members):**

Either before or immediately following an offer of employment, staff members will be expected to provide the hiring department with official copies of transcripts of college or University coursework and certification of required professional or skills licensing. Your department will also contact former employers to verify your prior employment.

### **University Rules and Standards:**

#### **Attendance and Working Hours (UNT Staff Members):**

State law sets the minimum workweek for regular full-time salaried employees at forty (40) hours. While administrative offices are generally open from 8 a.m. to 5 p.m. Monday through Friday, your actual work schedule will vary depending on your work assignment. A staff member is expected to observe the regular work schedule for his or her work location and assignment. Any individual who is consistently late for work, or who does not return from rest periods or lunch periods promptly, is subject to disciplinary action. The staff member is responsible for notifying the supervisor if he or she will be late or absent from work. When it is necessary to leave work early, the staff member must make necessary arrangements with the supervisor. Discuss any questions or concerns regarding your work schedule with your supervisor.

#### **Ethics Policy/Standards of Ethical Conduct:**

1. No faculty/staff member shall accept or solicit any gift, favor, or service that might reasonably tend to influence him or her in the discharge of official duties, or that the faculty or staff member knows or should know is being offered with intent to influence his or her official conduct.
2. No faculty or staff member shall accept employment or engage in any business or professional activity that the faculty or staff member might reasonably expect would require or induce him or her to disclose confidential information acquired by reason of his or her official position.
3. No faculty or staff member shall accept other employment or compensation which could reasonably be expected to impair the faculty or staff member's independence of judgment in the performance of his or her official duties.

4. No faculty or staff member shall make personal investments that could reasonably be expected to create a substantial conflict between the faculty or staff member's private interest and the public interest.
5. No faculty or staff member shall intentionally or knowingly solicit, accept, or agree to accept any benefit for having exercised his or her official powers or performed his or her official duties in favor of another.
6. No faculty or staff member shall hold financial interests that are in conflict with the conscientious performance of his or her official duties and responsibilities.
7. Faculty and staff members shall put forth honest effort in the performance of their duties.
8. Only faculty and staff members authorized by the Board of Regents shall make commitments or promises of any kind purporting to bind UNT.
9. No faculty or staff member shall use his or her public office or position for private gain.
10. A faculty or staff member shall act impartially and not give preferential treatment to any private or public organization or individual.
11. Faculty and staff members shall protect and conserve public property and shall not use it for other than authorized activities.
12. Faculty and staff members shall promptly disclose waste, fraud, abuse, and corruption to appropriate authorities.
13. Faculty and staff members shall adhere to all laws, regulations, and policies that provide equal opportunity for all persons regardless of race, color, religion, sex, national origin, age, or disability.
14. Faculty and staff members shall not sexually harass any guest or visitor to the campus or any member of the University community including faculty, staff, students, and candidates for University positions. (See Section 2, Policy No. 1.3.19, Sexual Harassment, Volume I, UNT Policy Manual.)
15. Faculty and staff members shall endeavor to avoid any actions that would create the appearance that they are violating the law or the ethical standards of UNT.
16. Faculty and staff members shall not knowingly or intentionally violate policies of the University or state or federal laws regarding their employment.
17. Failure of any faculty or staff member of the University to comply with one or more of the foregoing standards of conduct and ethical principles which apply to him or her shall constitute grounds for removal from office, or for disciplinary action, including suspension or discharge, whichever is applicable. Disciplinary actions shall follow established University policies and procedures.

*From University of North Texas Policy Manual, Vol. 1, No. 1.2.9, Ethics Policy, as derived from the Principles of Ethical Conduct established for federal employees, Ex. Or. NO. 12674 of April 12, 1989, 54 Fed. Reg. 15159; Ex. Or. NO.*

### **Diversity Policy:**

UNT possesses and values an increasing diversity among the individuals who make up its community. This is one of UNT's greatest strengths.

Individuals within the UNT community are unified by a primary purpose: learning. With that primary purpose in mind, UNT works to advance ideals of human worth and dignity by facilitating open discussion, supporting rational resolution of conflict, and encouraging examination of values.

Harassment based on individual differences is inconsistent with UNT's mission and educational goals. Every member of the UNT community enjoys certain human and constitutional rights, including the right to free speech. At the same time, individuals who work, study, live and teach within this community are expected to refrain from behavior that threatens the freedom, safety, and respect deserved by every community member in good standing.

Every member of the University of North Texas must comply with federal and state equal opportunity laws and regulations. Such compliance will be not only a given standard, but is, in fact, a baseline from which our community works to assure fairness and equity to all who pursue their educational and professional goals here.

Students, faculty, or staff who have concerns or questions should contact the appropriate office. Students should contact the Dean of Students at 565-2648. Faculty and Staff should call the Division of Equity and Diversity at 565-2456. TDD Access: (800)735-2989.

### **Dual Employment:**

Outside Dual Employment must not interfere or conflict with a faculty or staff member's position with the University and must be reported using the form "Request for Approval of Outside Employment" to the department chairperson, dean, or director who will make that determination. Should it be determined that a conflict exists, the faculty or staff member may not accept or continue the outside employment.

Dual Employment with the State is permitted subject to the above Outside Employment policy and procedures and specific provisions regarding coordination of state employment benefits. Contact Records at 565-4249 for additional information.

### **Probationary Status (UNT Staff Members):**

All new staff serve a probationary period from the initial date of employment. In most instances the probationary period is 6 months. The probationary period provides time for job adjustment and an opportunity for both the new staff member and their supervisor/manager to determine whether to continue the employment arrangement. For more information contact your supervisor or HR Employee Relations at 565-4817.

The Statement of Previous Texas State Employment form aids in determining the amount of vacation leave to be accrued based on prior years of service with the State, if applicable.

Vacation leave must be requested in advance and approved by the department chairperson, dean, or director using the Request for Approval of Leave form UPO-15

Sick leave with pay may be taken when sickness, injury, or pregnancy and confinement prevent the employee's performance of duty or when a member of his or her immediate family is actually ill.

The Optional Retirement Program (ORP) is a defined contribution plan available to eligible full-time faculty and to certain eligible full-time non-classified staff in lieu of the Teacher Retirement System (TRS). Contact HR Benefits 565-4250 for eligibility and enrollment questions.

### **Tax Deferred Annuity Programs:**

All employees who normally work at least 20 hours per week or 1,000 hours per year and are not student employees may participate in tax shelter retirement savings with an authorized company through a Tax Deferred Account (TDA) pursuant to the provisions of Section 403(b) and 457(b) of the Internal Revenue Code. TDAs are voluntary supplemental retirement accounts, which are often called TSAs (Tax-Sheltered Annuities). To obtain a list of authorized carriers, or to request more information contact HR Benefits at 565-4250.

### **US Savings Bonds:**

Regular benefits-eligible faculty and staff are eligible to purchase U.S. Savings Bonds through monthly payroll deductions. An employee may enroll in the Savings Bond Program at any time. ### **Dispute Resolution Options:**

**Staff** members are offered the opportunity to resolve complaints and grievances under the University's Complaint and Grievance Policy. For more information contact Employee Relations at 565-4817.

Alternative Dispute Resolution (ADR) offers additional options for resolving University-related disputes through mediation. **Faculty and staff** may request a mediation through Employee Relations at 565-4817.

A grievance and appeals process is available for **faculty** members on matters of promotion, salary, etc. and on tenure and academic freedom. For more information, see the Faculty Handbook on the UNT website at [http://www.unt.edu/vpaa\\_fy0708\\_fhb/homepg.html](http://www.unt.edu/vpaa_fy0708_fhb/homepg.html).

### **Employee Assistance Program (EAP):**

UNT provides an employee assistance program (EAP) through Alliance Work Partners. Call the toll free number (800-343-3822) 24 hours a day, 365 days a year, to speak a professional or to schedule an appointment with an EAP counselor. During the assessment, a licensed counselor will discuss objective, appropriate solutions to your problems. Assessment visits, crisis intervention counseling, and short-term counseling are provided free of charge. Fees for any additional help which may be recommended are usually based on ability to pay and in some cases, may be covered by insurance or other benefits. Alliance Work Partners adheres to all applicable state and federal

confidentiality laws and strictly protect the right to privacy for all employees and their family members. Other EAP benefits include Law Access, an online law library and 30-minute legal consultation service, and online AWP HELPNET, which provides access to assessment tools and information.

### **Employee Recognition and Rewards:**

UNT offers programs for recognition of outstanding faculty and staff including Star Performer Awards, Outstanding Staff and Staff Contribution Awards, Soaring Eagles, Eagle Partners, TIP\$ (suggestion program) Awards, and faculty awards for teaching, research and service.

### **Performance Counseling and Discipline (UNT Staff Members):**

It is the policy of UNT that supervisory efforts should be on the prevention of serious personnel problems rather than on disciplining employees for misconduct. However, supervisors have the right to discipline or summarily discharge an employee for cause with approval from the departmental hiring authority and the Assistant Vice President, Human Resources or his/her designated representative.

For repeated but relatively minor incidents of substandard performance, misconduct, or rule violations, corrective counseling and discipline should be progressive. The normal sequence of action is: (1) Initial discussion; (2) Oral warning; (3) Written reprimand; (4) Suspension; (5) Discharge. Depending on the severity of the case, the action may begin at any of these steps. Any action involving suspension or discharge requires prior review by the Associate Director for Employee Relations and Training. For more information, contact Employee Relations at 565-4817.

### **Performance Reviews:**

**Faculty** evaluations are conducted in accordance with the provisions for evaluation of faculty in the UNT Faculty Handbook.

**Staff employees** receive a customized performance review from their supervisor based on tasks and performance standards created for their work assignment. The key to staff performance appraisal at UNT is the review of employee performance according to specific, measurable standards which focus on achieved results. The basic philosophy of this approach is to involve the employees by:

- ◇ agreeing on performance objectives or standards, and the activities necessary for their achievement
- ◇ reviewing achievements based on agreed-upon measures or indicators of results

Evaluations are conducted prior to the end of the probationary period, at the end of the first year of employment, and annually thereafter, using the University's Staff Development performance appraisal process. For more information, contact HR Compensation for assistance at 565-4245.
