- **** Students planning to teach in elementary or middle schools must major in interdisciplinary studies in the College of Education. Students planning to teach in secondary schools must earn a major and a degree in the academic discipline in which they plan to teach, and take a minor in secondary education to qualify for a teaching certificate.
- ***** The university offers preprofessional programs to meet requirements of selected professional schools of medicine, dentistry, nursing, engineering and other fields. The Preprofessional Advisory Committee assists all premedical and pre-dental students with major and minor selection, courses that meet preprofessional requirements, and applications and recommendations to professional schools. (Contact the Office of Student Advising, College of Arts and Sciences.) Students interested in chiropractic, dental hygiene, nursing, pharmacy, podiatry, optometry, all allied health fields, including physical therapy, physicians assistant, occupational therapy and veterinary medicine should work closely with the health professions counselor in the College of Arts and Sciences to determine the courses suggested for admission to each program. Students wishing to pursue post-baccalaureate work in seminaries or divinity schools should consult with the chair of the Department of Philosophy and Religion Studies.

-
- Although the university does not offer a preprofessional program in law, students may consult with the pre-law adviser in the Department of Political Science.
- + Offered only at the Texas Utilities Electric facility at Comanche Peak.
 - ++ Certificate/Endorsement is issued by the State Board for Educator Certification and is available at undergraduate and post-baccalaureate levels.
 - ! Certificate/Endorsement is issued by the State Board for Educator Certification and is available only at the graduate level.
 - !! Vocational/Technical Certification is issued by the State Board for Educator Certification.

See the Toulouse School of Graduate Studies web site at www.gradschool.unt.edu for updated information.

UNT offers Graduate Academic Certificate programs for graduate credit at the post-baccalaureate and post-master's levels. Graduate Academic Certificates should not be confused with teacher certification, professional certification or licensure, continuing education and similar educational efforts. Completed Graduate Academic Certificates are listed on students' official transcripts.
