Applicants in the top 25 percent not scoring at least 950 SAT I or 20 ACT and all applicants admitted by individual review, regardless of rank in class or test scores, will be required to register for and successfully complete the course PSYC 1000, Psychology of Personal and Academic Effectiveness, during their first semester at UNT and/or participate in other programs as may be required.

High school seniors who plan to attend UNT should take entrance examinations at least five months before enrollment dates. See high school counselor for more information or write: The College Board ATP, P.O. Box 592, Princeton, NJ 08540; or ACT, P.O. Box 168, Iowa City, IA 52243-0168.

<sup>1</sup> UNT applicants should take entrance exams at least two months before admission deadline date. See high school counselor for information. The SAT score requirements shown above reflect the April 1, 1995, recentering of the SAT I by The College Board.

<sup>2</sup> A **transient student** is an undergraduate student who enrolls at UNT for one long semester only (fall or spring). A **summer visiting student** is an undergraduate student who enrolls at UNT for

either or both summer terms with the intent of returning to the home institution upon completion of summer studies. If a transient (or visiting summer) student decides to continue at UNT after the first semester, the student must meet all normal admission requirements. Because of federal laws and immigration requirements, international students are not eligible to enroll at UNT as transient students. (Summer visiting students must reapply each summer that enrollment is sought.)

<sup>3</sup> In May, 2001, the University of North Texas Board of Regents approved the above policy for the admission of new freshmen for the 2002 fall semester and beyond. Students who do not meet the requirements for automatic or regular admission should refer to the section titled "Admission by Individual Review" in the Admission section of the Undergraduate Catalog for more information.
