Tuition and Mandatory Fees

(Fees are Subject to Change)

The amounts shown below are provided to better assist students and parents in assessing the cost of enrolling at the University of North Texas (UNT). While this information is intended to be comprehensive, tuition, fees, room and board are subject to increase or decrease without notice by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNT resulting from post audits and corrections, including all fees and waivers (i.e. registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc.). For current information on tuition and fees, see *Tuition, Fees and Other Charges* for the particular academic year in which enrollment is planned, or inquire at Student Accounting and University Cashiering Services. Student Accounting and University Cashiering Services is open from 8:15 a.m. to 5 p.m. Monday through Friday.

Students are responsible for payment of the following charges.

The UNT Board of Regents has been granted the authority, within established guidelines, to set graduate tuition rates by program.

Graduate tuition for all graduate level courses (5000- and 6000-level courses) at UNT is \$26 per hour above the undergraduate rate. To calculate the costs for graduate-level courses (5000- and 6000-level courses), use the table below and then add \$26 multiplied by the number of hours to the total amount. For example, this makes the minimum amount for graduate enrollment at UNT for 3 hours a total of \$429.90 for Texas resident tuition and mandatory fees during the fall or spring semester.
