Supplemental Information for BFA with a Major in Fashion Design

Portfolio Reviews for Fashion Design Majors

Mid-Point Review

Prior to enrolling in upper-level fashion design classes, students will be required to submit a portfolio of their work for review by a panel of faculty. Work presented should include:

- construction sampler
- garment analysis
- figure/fashion drawings

Faculty will assess strengths and weaknesses of student responses to class assignments and suggest areas of focus for improvement. Students will be advised regarding their ability to complete the remainder of the program.

Senior Review

A senior exhibition called ARTWEAR is held annually. All students enrolled in ART 4441, Fashion Design VI, develop a collection of garments and submit them for judging by a panel of six fashion industry professionals. Garments are judged by the panel in the following manner:

- 34% originality/creativity
- 33% construction and fit
- 20% textile utilization
- 13% marketability

Grades from class projects assigned in ART 4441 and evaluations from ARTWEAR determine if the student has developed competencies required for graduation. Students are expected to present work that demonstrates competencies in the following areas:

- garment design
- garment construction
- patternmaking (flat pattern, draping and CAD)
- textile analysis and design
- historic costume research
- merchandising/cost factors
- fashion illustration

Failure to participate in ARTWEAR or presentation of unsatisfactory work will result in a grade of F or I in ART 4441 and delay graduation.

Results

Record of success in passing the fashion design reviews will be furnished to the student and recorded for the School of Visual Arts.
