

Logistics & Supply Chain Management 2010-2011

Requirements for the Bachelor of Science degree with a major in Logistics & Supply Chain Management include the following.

1. **Hours Required and General/College Requirements:** A minimum of 120 semester hours, of which 42 must be at the 3000 level or above (advanced), and fulfillment of degree requirements for the Bachelor of Business Administration degree.
2. **Pre-Business Requirements:** Students must have completed at least 45 credit hours of the pre-business program to be admitted into the major. Enrollment in upper-division courses is restricted until the following courses are complete with a C or above and a cumulative 2.7 UNT GPA.
 - a. ENGL 1313D- Computer Assisted Writing I
 - b. ENGL 1323D- Computer Assisted Writing II
 - c. ECON 1100D- Microeconomics
 - d. ECON 1110D- Macroeconomics
 - e. MATH 1190D- Business Calculus
 - f. COMM 1010D- Intro to Communications (exempt from grade of C or higher rule)
 - g. BCIS 2610D- Intro to Computers in Business
 - h. ACCT 2010D- Accounting Principles I
 - i. ACCT 2020D- Accounting Principles II
 - j. DSCI 2710D- Data Description & Analysis with Spreadsheets
3. **Internship Requirement:** A paid internship is required for the LSCM degree. Eligibility is based on approval from the LSCM department and fulfilling GPA and major course requirements. Credit is not given for past or current experience. See advisor for more information.
4. **Other Requirements:** Students who have courses that “double-dip,” which count for both core and major, may be required to take additional electives to meet the 120 semester hour requirement.

Suggested Academic Plan

This is a suggested academic plan. Students may make adjustments and consult the current Undergraduate Catalog for course prerequisites.

**Denotes classes that satisfy a requirement where there may be other class choices available, please see the current catalog for full course list.*

^ Denotes general Elective; please see your advisor for options.

{ } Denotes “double-dip” courses which count for both core and major course list.
