Tuition and Mandatory Fees

(Fees are Subject to Change)

The amounts shown below are provided to better assist students and parents in assessing the cost of enrolling at the University of North Texas (UNT). While this information is intended to be comprehensive, tuition, fees, room and board are subject to increase or decrease without notice by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNT resulting from post audits and corrections, including all fees and waivers; i.e. registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc. For current information on tuition and fees, see the UNT *Tuition and Fee Register* printed for the particular academic year in which enrollment is planned, or inquire in the Bursar's Office of the Controller's Office. The Bursar's Office is open

from 8 a.m. to 5 p.m. Monday through Friday. Cashiers' windows are open from 8:30 a.m. to 5 p.m. Monday through Friday.

Students are responsible for payment of the following charges.

The UNT Board of Regents has been granted the authority, within established guidelines, to set graduate tuition rates by program. Tuition rates for all graduate level courses are \$26 per hour above undergraduate rates.

Graduate tuition for all graduate level courses (5000- and 6000-level courses) at UNT is \$26 per hour above the undergraduate rate. To calculate the costs for graduate-level courses (5000- and 6000-level courses), use the table below and then add \$26 multiplied by the number of hours to the total amount. For example, this makes the minimum amount for graduate enrollment at UNT for 3 hours a total of \$407.15 for Texas resident tuition and mandatory fees during the fall or spring semester.

Explanation of Fees

(Fees are Subject to Change)

Student Service Fees

Student service fees are assessed in proportion to the number of semester credit hours for which a student registers to cover the cost of student services that directly involve or benefit students, including, but not limited to, recreational activities, artist and lecture series, cultural entertainment series, debating and oratorical activities and student government.

Student Union Fee

A fixed Student Union fee is collected from each enrolled student for the purpose of operating, maintaining, improving and equipping the University Union. Activities financed by the student union fee are limited to those in which the entire student body is eligible to participate.

Technology Use Fee

Technology use fees are collected in proportion to the number of credit hours for which a student registers to defray costs associated with the addition of student computer laboratories, development of the degree audit system and instruction-related activities in the Computing Center.

Medical Services Fee

The fixed medical services fee is used solely to provide medical services to students registered at the university.

International Education Fee

A fixed international education fee is collected from each enrolled student to be used in support of an international education financial aid fund. This fund allows an equal opportunity for all students to participate in student exchange and study abroad programs.

ID Card Fee

A fixed ID card fee is collected from each enrolled student to cover the costs associated with issuing student identification cards and developing and maintaining the access and privilege control system.

Publication Fee

A fixed publication fee is collected from each enrolled student to defray costs associated with publication and distribution of schedules of classes, catalogs and other publications available to all students.

Property Damage Deposit

Each student who enrolls pays a property damage deposit that is refundable on request upon final withdrawal or graduation. If not claimed within four years after last enrollment date, the deposit is non-refundable. Refund request forms are available in the Bursar's Office.

Fees Related to Instruction

Instructional fees fall into three fee categories. Please note that for billing purposes, these fee categories are grouped together and billed as one instructional fee.

Instructional fees are due at the time of registration or the payment deadline for early registered students. These fees are refundable according to the university refund policy. If a student desires to know what portion of an instructional fee falls into each category listed below, they may contact the Bursar's Office at (940) 565-3225 or the Registrar's Office at (940) 565-2111.

Course Fees

Course fees are charged to cover consumable supplies, syllabi, tests, salaries and wages of employees who assist in the preparation, distribution and supply of classroom materials and some equipment purchases related directly to student

participation in the classroom or laboratory. Course fees can, in some instances, save students money by bulk purchasing of goods and services. These fees are set at the minimum cost of services that all students in the department or division receive.

Laboratory Fees

Laboratory fees are only applicable to courses which require students to register for a laboratory section. Laboratory fees are collected to cover the cost of materials and supplies used by students in the laboratory. The laboratory fee may not be less than \$2 nor more than \$30 for any one semester or summer term.

Special Service Fees

Special service fees are collected to help offset the cost of materials and services a student is eligible to receive while enrolled in a course. These fees are directly related to classroom, laboratory or practicum activity and may cover the wages of employees who assist in the instructional process such as models, tutors, proctors or laboratory assistants.

The chart below shows the breakdown of course fees currently charged by UNT.

Admission Application Fee

All applicants to the University of North Texas' Toulouse School of Graduate Studies must pay a \$25 (U.S. citizens and permanent residents aliens) or \$50 (all others, i.e., international students) non-refundable admission application fee. The fee must be paid in U.S. dollars.

Option to Pay Tuition by Installment

The Texas Legislature has the authority to modify or eliminate installment payment of tuition at each regular or called legislative session.

UNT provides for the payment of tuition and fees during the fall and spring semesters through the following alternatives:

1. full payment of tuition and fees upon registration or by the payment deadline for early registration; or
 2. one-half payment of tuition and fees upon registration, or by the payment deadline for early registration, with separate one-fourth payments prior to the start of the sixth and 11th class weeks.
- Note:* All course-related or optional fees are paid with the initial installment payment.

Tuition and fees must be paid in full for each summer term upon registration or by the payment deadline for early registration. Tuition payment by installment is not offered during the summer.

Non-Refundable Fees for Tuition by Installment

Handling fee: \$12.50

NOTE: All instructional fees and optional fees are paid with the initial installment payment including the non-refundable handling fee of \$12.50.

A student who fails to make payment of tuition and fees (including any incidental fees) by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester.

See *Schedule of Classes* for procedures and policies concerning installment payment of tuition.

Tuition and Fee Policies

Tuition covers undergraduate and graduate work. It and the various fees provide limited health services and admission to university-sponsored fine arts and athletic events. Instructional fees, materials fees and private instruction fees are additional. Students must purchase their own textbooks and supplies.

Fees charged for application, late registration, duplication of records, graduation and regalia, late filing for graduation, replacement diplomas and miscellaneous items are noted in the 1998-99 *Tuition and Fee Register* available at the Bursar's Office.
