

Bachelor of Arts

Major in Rehabilitation Studies

Candidates for the Bachelor of Science degree with a major in rehabilitation studies must meet the following requirements:

- 1. Hours for the Degree:** Completion of a minimum of 124 total semester hours; 42 hours must be advanced.
- 2. General University Requirements:** See “General Degree Requirements” in the Academics section of this catalog.
- 3. University Core Curriculum:** Minimum 47 hours. See “University Core Curriculum Requirements” in the Academics section of this catalog.
- 4. Major Requirements:** Major of 42 hours.
- 5. Minor:** Minor of 18 hours, of which 6 must be advanced, may be selected with the approval of the academic adviser. Students are advised to give careful consideration to career goals when selecting their minor area of study. A minor is not required.
- 6. Electives:** Electives may be required to satisfy the advanced hour requirement and/or the minimum total hours (124) required for the degree.
- 7. Other Course Requirements:** Students are advised to take:
 - PSYC 1630;
 - a biology course with content in body systems; and
 - a course on cultural diversity in the United States as a part of the University Core Curriculum requirements.If these recommended courses are not taken to fulfill university core requirements, they must be taken elsewhere in the degree plan.
- 8. Other Requirements:**
 - Minimum overall grade point average of 2.3 is required for graduation.

Students interested in majoring in rehabilitation studies should make an appointment with the undergraduate coordinator for an initial interview, which will provide information about the program and its appropriateness for that student. Upon admission into the program, the student is assigned an academic adviser. The student works with that adviser in the development of a degree plan and throughout the academic program until graduation.

Major in Rehabilitation Studies

*Following is **one** suggested four-year plan. Students are encouraged to see their adviser each semester for help with program decisions and enrollment.*

BS with a Major in Rehabilitation Studies
