Assessment & Measurement Information Resources

In accordance with higher education outcomes assessment, the Office of Institutional Research and Effectiveness has comprised this website to assist in the development of Student Learning Outcomes and Administrative Outcomes.

Measurement and assessment of outcomes are now a part of the accreditation standards with the Southern Association of Colleges and Schools (SACS):

3.3.1 The institution identifies expected outcomes, assesses the extent to which it achieves these outcomes, and provides evidence of improvement based on analysis of the results...
