COUNTY OF ORIGIN is entered in a student's EIS file from the application for admission. A student must file a new application for admission after graduating or dropping out for one year and the county of origin is coded from the address on the new application. Thus, the county of origin for a student may originally be Harris County but may become Denton County by a later admission date.

¹Permanent Resident Aliens are counted with US Citizens.

Notes about the admissions categories:

²**New from high school (or first time in college).** Some "new from high school" students have enough college credit earned in military service, by local and national examinations, dual enrollments, or TAMS, to be classified above the freshman level. TAMS & Dual admits included.

Returning former student. A student who drops out for one year or more must file an application for admission in order to return. Such a student is coded as a former student.

Transient and special students. A person enrolled in another institution who takes courses at UNT without actually transferring to UNT is coded as a **transient student**. A person who is permitted to enroll in designated classes without completing the regular admission process is coded as a **special student**. Transients and special students are accepted for one semester only (they must reapply for permission to enroll for another term).

Continuing student. Students who continue to be enrolled without needing to file a new application for admission are counted as continuing students.

The same applies to one who receives a master's degree from UNT and is admitted to a doctoral program. Only students coded as graduate students are included in this report.
2. **Returning former student.** A student who drops out for one year or more must file an application for admission in order to return; such a student is coded as a former student.

Library, Staff, and Facilities

**Exhibit H-1
University Library Holdings, Use, and Expenditures
FY2017**

University Libraries are the heart of learning and research at UNT. Libraries' faculty and staff offer outstanding core library services, provide leading-edge technology and support, and enhance the campus community with special events throughout the year. The libraries are a driver in providing open access to information and knowledge, showcasing the scholarly and artistic works of UNT's faculty and staff, and helping UNT's students succeed. Each year, 6 million users access the libraries' Portal to Texas History, an online digital library named as a finalist for the nation's highest honor given to museums and libraries: the National Medal for Museum and Library Service.

Six separate facilities – four on campus and two off campus – house the Libraries' collections.

- **Willis Library is the main library on campus and houses collections that support disciplines with the Arts and Sciences. Here you can also find the Music Library, Digital Libraries, Special Collections, and The Factory, a makerspace that promotes the creative use of technology.**
- **The Media Library in Chilton Hall houses a large collection of audiovisual materials, including films, audiobooks and video games, as well as The Nest, an e-sports and game design space.**
- **The Eagle Commons Library in Sycamore Hall focuses on government documents, law, political science, geography and business; it also houses the Collaboration and Learning Commons and UNT's Funding Information Network location.**
- **The Discovery Park Library covers multiple areas of engineering, library and information science and learning technology.**
- **The Library Annex contains remote storage, cataloging and metadata services, collection development, and preservation.**
- **The Research Collection Library is a closed-stacks facility that houses special collections materials.**

Highlights:

- **Cataloged holdings total 7 million print and digital items**
- **In 2016-17, the Libraries' facilities had 1.5 million visitors**
- **UNT Digital Library ranks among the top 15 world repositories and among the top 10 national repositories, one of only 10 affiliated archives of the National Archives and Records Administration in the U.S., and one of only three universities to hold that distinction**
- **The Digital Libraries Division preserves 495 TB of data**
- **The Portal to Texas History is named one of the best online resources for education in the humanities by the National Endowment for the Humanities**
- **5.5 million pages of historic Texas newspapers have been digitized and are hosted on The Portal to Texas History**
- **The Music Library is one of the largest music libraries in the U.S.**
- **Home to the UNT Press book publishing program, with more than 75 award winning titles on Texas, music, western and military history, literary nonfiction, natural and environmental history, photography, and poetry and short story prize competition winners.**
